DESIGN & CONSTRUCTION FORUM

27 OCTOBER 2015 - NOVOTEL BRIGHTON BEACH

SPONSORSHIP & TRADE PROSPECTUS

INVITATION

The 'Aged Care Building Committee' in conjunction with ACS NSW & ACT and LASA NSW-ACT is hosting a forum on "Design and Construction" in Aged Care.

The diversity of issues involved in construction and refurbishment from conception to delivery can be fraught with danger from the design parameters, communication with architects, cost analysis and variations. The expertise needed to undertake these responsibilities is often outside the parameters of Aged Care facilities, yet the cost of appointing a professional project manager, builder can often seem prohibitive.

The purpose of the "Design and Construction" forum is to look at the opportunities for Aged Care facilities and services to manage these projects in a professional manner. It will focus on designing for the future, the parameters for significant refurbishment, sprinklers and the importance of getting what you planned.

We invite you to participate in this strategic marketing opportunity with a strong focus on management and delivery of projects in the Aged Care sector.

We look forward to seeing you at the "Design and Construction" in Aged Care forum.
