HEALTH TECH STEERING COMMITTEE

Our Cause:

- Person-Centered Connected Health

Our Mission:

Utilize Nashville's unique resources to establish a PCCH creative community in Nashville that fuels long-term health, wealth and wellness.

We will:

- Become the center of excellence for the Personal Longitudinal Health Record
- Build the Trust Network that enables Person-Centered Connected Health in Nashville to ensure proper, secure dissemination of data
- Form an alliance of the local health systems in support of PCCH
- Empower local HIT companies to develop the new economy
- Lead the caregivers' transition to PCCH
