

Dear Industry Colleague,

TAPPI is excited to announce the 2014 Shipping, Receiving, & Warehousing Workshop (SRW) to be held April 8th – 9th, 2014 at the Sheraton Hotel New Orleans. Be a part of this dedicated group as they collaborate to reduce in-transit damage to rolls of paper at this premier forum for industry leading paper shippers.

This is a truly practical, interactive and collaborative workshop put on by industry professionals, for industry professionals - all parties of the supply chain - to address common issues and concerns relating to damage and damage prevention in the paper industry. It's an excellent networking opportunity - paper buyers, paper companies, carriers, securing / damage prevention specialists, block and bracing manufacturers, safety experts all under one roof.

We would like to offer you an opportunity to put your company's brand in front of key industry professionals, who have a vested interest in your products, by becoming a workshop sponsor. Sponsorship at this workshop will show our attendees your commitment to building industry relationships.

We hope to see you New Orleans,

Tammy Baker-Silver
