Dermatology and Feline Medicine

Book online - https://www.eiseverywhere.com/tas19
Welcome

The Tasmanian Division of the Australian Veterinary Association (AVA) hosts an annual conference for veterinarians and veterinary nurses who have an interest in small animal medicine and surgery. In 2019 it will be held at Wrest Point, Sandy Bay in Hobart Tasmania on 15-17 November.

The two-day scientific program will focus on dermatology and feline medicine with Dr Amanda Burrows, Dr Carolyn O’Brien, Dr Graham Swinney and Zoe Markham.

Be sure you join us at our social events to meet new people and catch up with old friends.

» Friday 15 November – Quiz Night.
  Kindly sponsored by Provet

» Saturday 16 November – Annual Gala Dinner with a “Come as your favourite TV show character” theme.
  Don’t miss this legendary dinner.
  Kindly sponsored by Cenvet

About Hobart

Hobart offers a contrasting blend of heritage, scenery and culture, with world class activities and attractions nearby. Nestled amongst the foothills of Mt Wellington, Hobart combines heritage charm with a modern lifestyle in a setting of exceptional beauty. It’s no wonder Lonely Planet has called Hobart one of the top ten spots to visit in the world right now.

With its captivating history, picturesque waterways, rugged mountains and gourmet experiences, the city has something for everyone.

Award-winning restaurants offer fine dining experiences using the best Tasmanian produce recognised by the world’s best chefs, while on the waterfront punts and fishmongers sell the freshest seafood straight from the Southern Ocean.

Enjoy the contrast of elegant heritage sandstone alongside modern architecture. Explore Salamanca Place, take a walk along Hobart’s iconic waterfront and don’t forget to take a ferry up river to MONA for an out-of-this-world modern art experience.

Wrest Point Hobart

Wrest Point Hobart is conveniently located minutes from Hobart’s CBD and boasts impressive waterfront views together with a selection of restaurants, bars and various entertainment options.

The venue provides an excellent space for promoting your company as a sponsor or exhibitor at the AVA Tasmanian Division Annual Veterinary and Veterinary Nurse Conference and we are delighted to host the event at this venue.

About the Australian Veterinary Association

The AVA is the peak national body representing the Australian veterinary profession, delivering a range of services and benefits to over 9,500 members.

For nearly 100 years, we’ve represented Australian veterinarians nationwide. Providing our members with access to continuing professional development (CPD) of the highest calibre on the latest scientific thinking is a key focus of the AVA. Our CPD program planning begins up to two years in advance to ensure it includes veterinary science and business training that is interesting, relevant and accessible, so that we maintain a highly skilled veterinary workforce. Looking ahead we will embrace new technologies to proactively assist our members with more flexible and appropriate learning outcomes.

Meet the Speakers

**Veterinary Specialist**
**Dermatology**
**Dr Amanda Burrows**

Mandy is a Fellow of the Australian College of Veterinary Scientists in Veterinary Dermatology and a registered specialist in veterinary dermatology. She is part of the global Animal Dermatology Clinic (ADC) team that has veterinary dermatology referral practices located in the US, Australia and New Zealand and she is the key dermatologist at ADC-Perth with two dermatology practices in Western Australia. Mandy teaches undergraduate veterinary students at Murdoch University and the dermatology unit of the Masters in Veterinary Medicine at both Murdoch and Massey University. She currently sits on the Advisory Committee for the Registration of Veterinary Specialists. She is a co-editor of the international journal Veterinary Dermatology and the current Australian and New Zealand representative and the Secretary of the World Association for Veterinary Dermatology and the President of World Congress in Veterinary Dermatology. She has authored and co-authored publications in national and international journals and textbooks. She has extensive experience with clinical dermatology in companion animals and she loves consulting and teaching.

**Veterinary Specialist**
**Feline Medicine**
**Dr Carolyn O’Brien**

Carolyn O’Brien is a Registered Specialist in Feline Medicine. She graduated from the University of Melbourne and worked in private practice both in Melbourne and the UK for the first five years of her veterinary career. Carolyn then completed a residency in Small Animal Medicine at the University of Sydney. She concurrently obtained a Masters in Veterinary Clinical Studies in the epidemiology and treatment of cryptococcosis in cats and dogs. After her residency she stayed on at the University of Sydney as a Senior Registrar.

Having successfully gained her fellowship qualification, she commenced referral practice in Melbourne, from the Veterinary Referral Hospital in Hallam and then from the University of Melbourne, as well as being a partner in a private feline-only clinic.

Carolyn is interested in all aspects of feline medicine but is particularly interested in infectious diseases and clinical microbiology. She also has a strong interest effective adult learning and professional development.
Meet the Speakers

Veterinary Specialist
Canine Medicine
Dr Graham Swinney

Graham graduated from the University of Sydney in 1987, after which he worked as an Assistant Lecturer in Small Animal Medicine at Massey University. He then undertook a Small Animal Medicine Residency at the University of Queensland in 1991. In 1993 Graham assumed a role as a Registrar/Senior Registrar at the University of Sydney.

From 1999 to 2005 Graham was a Clinical Assistant Professor at Washington State University. From 2005 to 2009 he was a staff specialist at the Veterinary Specialist Centre in Sydney, and in 2009 became a staff specialist at the University Veterinary Teaching Hospital Sydney where he was also Hospital Director. Graham joined IDEXX in 2011, working as an Internal Medicine Consultant and Medical Affairs Veterinarian.

He was involved on the ASAV Executive Committee for nine years.

Veterinary Nurse
Zoe Markham

Zoe has been a veterinary nurse for over 16 years now, working in various locations within South Australia, Queensland and Tasmania.

Zoe is always striving to take on board all new ideas, methods and aspects of nursing which has led to her completion of a number of courses including, a Certificate in Behaviour and Training, Vet Nurse Technician Certificate, Diploma in Emergency and Critical Care. She is currently completing her Certificate IV in Training and Assessment (TAE), which will enable her to further assist other nurses in gaining their qualifications.

Zoe is amongst the first wave of nurses in Tasmania to be Registered as an Accredited Veterinary Nurse and hopes that all nurses will eventually be registered.

Zoe currently works at the After Hours Emergency Veterinary Centre which she finds both a rewarding and fulfilling job, knowing that she can provide veterinary nursing care to a wide range of animals during some of their worse times.

- Program and other event details are subject to change. AVA is not liable for any loss of expenses incurred as a result of program changes.

Privacy statement
The Australian Veterinary Association (ABN 63 008 522 852) ("AVA") respects the privacy of individuals and acknowledges that the information that you provide on the form is ‘personal information’ as defined by the National Privacy Principles set out in the Privacy Act 1988 (Cth) and the Privacy Amendment (Privacy Sector) Act 2000.

Collection, use and disclosure of your personal Information
AVA may collect and use your personal information in order to a) process your registration; b) conduct the Conference; c) display images taken at the Conference; d) conduct customer evaluations and market research to improve the quality of our products and services (including the Conference); e) communicate with you generally in relation to our services, as well as promotional and general activities; and f) comply with our legal obligations.

You acknowledge and agree that your personal information may be disclosed for the above purposes to organisations outside AVA, including a) service providers and sponsors engaged by the AVA from time to time; and b) our related bodies corporate. We will also disclose your personal information to government, regulatory and law enforcement authorities and organisations, as required or authorised by law.

We may also disclose personal information where the individual consents to us doing so; consent may be written, verbal or implied from your conduct. If you would like to know more about our privacy policy and procedures or if you wish to seek access to or to request correction of any personal information we hold about you, or to opt-out at any time, please contact us at members@ava.com.au.

Please note that for the purpose of the Conference, AVA and its events manager also intend to make your name, practice / employers and contact details available to other conference registrants and exhibitors.
