Dear Prospective Sponsor / Exhibitor:

On Wednesday, November 14, 2018, the presenting organizations will welcome at least 120 attendees to our 26th Annual SC Statewide Audit Conference. This past year was a record breaking year for with over 200 attendees! We are excited to hold the conference at the beautiful Embassy Suites by Hilton – Columbia Greystone near the Riverbanks Zoo, downtown Columbia, the State Capitol, University of South Carolina and the hopping Congaree Vista for the second year. This year the over 100-member SC State Internal Auditors Association (SCSIAA) will again hold its Annual Business Meeting during the conference at the conference location, providing access to additional professionals.

Conference attendees represent a variety of industries, including banking/finance, technology, health care, insurance, universities, utilities, electronics manufacturing and all branches of government. In fact, our 2017 conference included representatives from approximately 70 different companies and agencies. These representatives included numerous “key decision makers” such as chief audit executives, audit managers, IT experts and CFOs. Although sponsored by the three SC IIA chapters, the SC ISACA chapter and the SCSIAA, attendees also maintain memberships in such organizations as the AICPA, ACFE, and GFOA, and come from SC, NC, GA, TN and VA. The conference program will include ample contact with all attendees including these decision makers, speakers and other sponsors. As previously indicated, the SCSIAA will also hold its Annual Business Meeting during the conference this year, providing access to additional professionals if exhibiting and/or speaking at the Platinum and Diamond levels.

If you are interested in this marketing opportunity, please take a moment and review the benefits your company would receive. If you have any questions or desire a modified package, please feel free to contact me.

Respectfully,

Fran Howard Cook
