**Biography**

Dave Zaprazny is the Technical Procurement Supervisor at PPL Susquehanna. He has been with Susquehanna for 33 years and has a background in design, engineering training, and procurement engineering. He was past chair of the IEEE's Nuclear Power Engineering Sub-Committee on Safety Systems. He received his Electrical Engineering degree from Penn State and is a registered Professional Engineer.

**Abstract for Tuesday AM Session**

This morning's agenda includes a variety of industry topics related to utility and supplier performance. The session will include a presentation and benchmarking session related to Supplier Quality and Performance. A presentation on INPO's evaluation and analysis of Supply Chain activities will be provided. There will also be benchmarking sessions related to Utility's Supply Chain Analytics/Metrics and Critical Spares Program. Be prepared to participate in this session by providing and receiving information related to the topics.
