Resources and links

Youtube clip presented by Warrigal an aged care provider in South East NSW. This is a fun clip featuring 'Shake it off' by Taylor Swift <https://youtu.be/xGY2i6g2sCA>

Youtube clip which inspired the Warrigal 'Shake it off' clip, this is from the Diana Isaac Retirement Village in Christchurch NZ and features 'Happy' by Pharell Williams. This is a great fun clip and well worth a watch. https://youtu.be/ebD_drWYVaI

Here are some links to websites that have more information to support implementation of enablement, wellness and CDC approaches into your work. These websites have resources for staff and clients on preparing for more person centred approaches.
