

Sponsor & Exhibitor OPPORTUNITIES

ABOUT THE CONFERENCE

The Washington Stormwater Center invites stormwater industry organizations and professionals to participate as a sponsor or exhibitor at the 2019 Washington State Municipal Stormwater Conference on April 24 & 25, 2019 at the Hilton Seattle Airport & Conference Center in Seattle, Washington.

WHO WILL ATTEND

The conference is focused around high-priority issues and challenges faced by the more than 100 NPDES Municipal Stormwater Permittees in Eastern and Western Washington. The target audience is municipal permittees and staff from Phase I and Phase II jurisdictions including management, development, maintenance, and engineering staff. Attendees also include regulators, non-governmental organizations, consultants, vendors, and other stormwater professionals. Conference activities and presentations will offer attendees opportunities to share information on their programs, lessons learned, successes, and approaches to meeting current and upcoming permit requirements.

WASHINGTON STATE MUNICIPAL STORMWATER CONFERENCE

BECOMING A SPONSOR OR EXHIBITOR

To become a Sponsor or Exhibitor at the 2019 Washington Municipal Stormwater Conference, register at cm.wsu.edu/municon2019. If you have questions or would like to discuss a Personalized Sponsorship, contact Diane Deyerler (253-445-4631, diane.deyerler@wsu.edu). Sponsor and exhibitor fees are due at time of application (make checks payable to Washington Stormwater Center). **Please note that sponsorships do not include an exhibit space; if you would also like to exhibit at the Conference, be sure to add exhibit space to your registration and payment.**

EXHIBIT SPACE (31 AVAILABLE)

Exhibitors at the 2019 Washington State Municipal Stormwater Conference will be visible to a large audience of NPDES Stormwater permittees and other stormwater professionals from across the state. Your fee includes an approximately 8' x 10' space without drapes, a standard 6' table with linens and two folding chairs. All exhibit materials (including free-standing materials) must fit entirely within your allotted space. Not all booths will be located near electrical drops (see below); if you require electrical service, please indicate that on your registration. Exhibitors are responsible for extension cords; all cords must be taped down to prevent tripping hazards.
