

March 6, 2017

Dear Donor,

On October 14, 2017 the National MPS Society will be hosting our inaugural ***"A Night Under the Big Top Gala"***; an evening filled with jazz, glitz, and glam. Proceeds from this event will help to support our mission to cure, support and advocate for MPS and ML diseases.

Since 1974, the National MPS Society has provided support for families living with MPS by funding promising research, providing family support programs such as access to doctors and other medical needs, and advocating for important legislative issues nationwide. Although MPS is a rare disease, thousands of children and adults are affected in the United States. Although we have some treatments for those impacted, we have no cures. **We have a lot more work to do to achieve our mission and we need your help!**

You can play an important role in our success by donating an item(s) to our live and silent auction. We will be looking to our friends, families, and the community to help us build an auction that will tempt the fancy and wake the senses of our top bidders.

I invite you to donate to our auction and be a part of our mission at the National MPS Society which is to cure, support, and advocate for children and adults living with these progressive diseases. **The Live and Silent Auction will include luxury items, rare extraordinary experiences, and destination packages.**

This speakeasy spectacular evening will also include acrobats, object manipulators, jugglers, aerialist, and some special guests from our community. Mark your calendars. You don't want to miss the hottest Boston event of the Fall!

**A Night Under the Big Top**  
**Saturday October 14 6PM**  
**Revere Hotel 200 Stuart St. Boston, MA.**
