All accounts must be paid prior to your scheduled move-out time. Please stop by the ExpoPlus Service Center at your earliest convenience to review and settle your account. Please note that no adjustments to invoices will be made after the close of the show.

The exhibits will officially close at **4:30 pm on Wednesday, May 25th, 2016**, at which time aisle carpet will be removed and empty containers will be returned for the dismantling of exhibits. Dismantling of booths is strictly prohibited until **5:00 pm on Wednesday, May 25th, 2016**.

All out-bound shipments require an ExpoPlus Bill of Lading. Once your account is settled you can obtain a Bill of Lading and shipping labels at our Service Center. Shipping is not an automatic process. We ask that you return your Bill of Lading to our Service Center when your materials are packed, labeled and ready to be shipped. Carriers must pick up shipments no later than **7:00 pm on Wednesday, May 25th, 2016**.

Representatives from ABF Freight Systems will be on site for your shipping convenience. If you plan to use an alternate carrier, you are responsible for making arrangements with that carrier. In the event that your designated carrier fails to pick up or refuses to accept shipments, ExpoPlus reserves the right to re-consign such shipments where no disposition is provided. No liability will be assumed by ExpoPlus as a result of such rerouting or handling.

Should you have any questions or concerns regarding the above information, please check with our representatives at the ExpoPlus Service Center. It has been a pleasure serving you, and we look forward to working with you in the future.

C/O ExpoPlus
1055 Research Center Atlanta Dr SW
Atlanta, GA 30331

RATES FOR ADVANCE SHIPMENTS RECEIVED AT THE WAREHOUSE

Exhibitors who wish to have their materials arrive in advance can do so by shipping direct to our warehouse. Materials will be unloaded at the warehouse, stored free for 21 days, delivered to the unloading docks at the exhibit site, unloaded, delivered to the exhibitors booth, picked up at the close of the show, moved to the loading area and reloaded on trucks at the following ROUND TRIP RATE: For each 100 lbs. or fraction thereof, per shipment, the rate is \$50.75 with a 200 lb. minimum.

DIRECT SHIPMENTS TO EXHIBIT SITE

Shipments for direct delivery to the Exhibit Site should be scheduled to arrive **only on Tuesday, May 24th, 2016. Please note shipments received on Sunday, May 1st are subject to an Overtime charge in addition to standard drayage rates.** These shipments should be consigned and the bill of lading made out as follows:

Name of Exhibiting Company / Booth #
Boma International Expo 2016
Cobb Galleria Centre
2 Galleria Pkwy
Atlanta, GA 30339

RATES FOR MATERIALS AND EQUIPMENT RECEIVED AT THE EXHIBIT SITE

Material will be unloaded from exhibitor's trucks, or trucks of others, at the exhibit site, delivered to the exhibitor's booth, picked up at the close of the show, moved to the loading area and reloaded on trucks at the following ROUND TRIP RATE: For each 100 lbs. or fraction thereof, per shipment, the rate is \$47.25 with a 200 lb. minimum.

RATES FOR SHIPMENTS OR EQUIPMENT REQUIRING SPECIAL HANDLING

This classification shall be applied to, but not limited to moving van shipments, or shipment by any truck which because of the height of the truck bed, cannot be unloaded at the docks, and/or the shipment is "packed" in such a manner as to require special handling (e.g., loose display parts; uncrated equipment), regardless of the kind of carrier or vehicle used, and/or the description of the shipment is such that the type of materials or equipment cannot be determined (e.g., 1 lot; 20 assorted pieces). Material will be unloaded from moving vans, exhibitor's trucks or trucks of others, delivered to the exhibitor's booth, picked up at the close of show, moved to the loading area and reloaded on trucks at the following ROUND TRIP RATE: For each 100 lbs. or fraction thereof, per shipment, the rate is \$60.25 for advance warehouse shipments, and \$57.25 for show site shipments with a 200 lb. minimum.

NOTE: In the event crated materials are combined in a shipment with materials "packed" in such a manner as to require special handling (see above), ExpoPlus will invoice such shipments at the rates applicable to the "classification" of the materials, PROVIDED the bill of lading clearly identifies the weight of the crated materials and the weight of the other materials. If the bill of lading does NOT identify the weights of the various classifications, the entire shipment will be invoiced at the Special Handling rate and will not be subject to adjustment.

OVERTIME CHARGES

Shipments unloaded at the warehouse after 4:30 pm weekdays, anytime Saturday, Sunday or Holidays, after the advance shipment deadline, or after the show opens will be subject to overtime charges. **Additionally, when freight must be moved into or out of the exhibit site after 4:30 pm weekdays, anytime Saturday, Sunday, or Holidays due to scheduling conflict beyond the control of ExpoPlus, overtime charges will apply.** This charge will equal \$18.00 for every 100 lbs. of freight shipped with a minimum charge of \$36.00, and will be invoiced in addition to our regular drayage charges.

Note: A maximum charge of \$10.00 will apply to receiving and delivery of envelopes only at the show site during show hours.

May 25, 2016

BILL OF LADING

All shipments must have a Bill of Lading or delivery slip showing the number of pieces, weight and type of merchandise. We recommend a copy be mailed to the ExpoPlus address:

ExpoPlus
1055 Research Center Drive
Atlanta, GA 30331

Also send a copy to the person in charge of installing your display for assistance in tracing shipments. Drivers will be required to record their shipments at the Exhibit Site Check-In Area and then they will be assigned a priority and the proper freight door for unloading.

NOTE: Shipments received without receipts, freight bills or specified unit counts on receipts or freight bills (i.e., one lot, 800 cu. ft., etc.), such as UPS or van lines, will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by ExpoPlus for such shipments.

NOTE: In the event no weight is indicated on the documents presented, ExpoPlus shall estimate the weight and charges will be based on the estimates and such charges will not be subject to adjustment.

VAN SHIPMENTS

Drivers will be required to submit CERTIFIED WEIGHT RECEIPTS when recording their shipment at the Exhibit Site Check-In Area. ExpoPlus reserves the right to refuse to unload such shipments until a CERTIFIED WEIGHT RECEIPT is presented.

INSURANCE

Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can usually be done by "riders" to existing policies.

SHIPPING LABELS

Shipping Labels are enclosed. Use them as they will expedite handling. If additional labels are needed, write to the ExpoPlus address listed above.

SMALL PACKAGES SHIPMENTS:

Includes cartons received without documentation and delivery to the booth without guarantee of piece count and documentation. Includes Fed Ex and UPS shipments weighing less than 30 lbs.

The Small package fee is \$36.75 per shipment.

LABOR AND EQUIPMENT

Labor will be available for uncrating, un-skidding, assembling, positioning, leveling, dismantling, re-crating and re-skidding machinery and/or equipment for exhibitors. Place your orders for this labor using the form in the "Display Labor" section of this exhibitor service kit.

OUTGOING SHIPMENTS

To assist you in setting up your outgoing shipments, staff at the ExpoPlus Service Desk will be able to provide labels, Bill of Lading forms, and shipping information.

At the close of the show, if an exhibitor's carrier fails to pick up or refuse to accept shipments, ExpoPlus reserves the right to reroute such shipments where no disposition is provided. Materials may be hauled to a warehouse pending advice from the exhibitor and a 25% surcharge will be charged for this service. No liability will be assumed as a result of such rerouting or handling.

All shipments must be forwarded with all charges prepaid.
Collect shipments will not be accepted.
ExpoPlus assumes no responsibility for collect shipments which are not accepted.

RECONSIGNED FREIGHT POLICY

Any unconsigned shipment left in the exhibit hall after dismantling hours will be shipped via the Official Show Carrier at the expense of the exhibitor. Therefore, it is important to know some of the basics that will help you to avoid having your freight reconsigned.

BILL OF LADING

Each exhibitor is responsible for turning in a Bill of Lading to the ExpoPlus Service Desk after dismantling is finished and all boxes, crates, etc. are packed and labeled. The Bill of Lading is the official “permission” of the exhibitor allowing removal of freight from the exhibit space to the carrier of choice (personal vehicle, truck, van line, airfreight, etc.) Your Bill of Lading must be turned in no later than 8:00 pm on Wednesday, May 25th, 2016.

OFFICIAL CARRIER

The Official Carrier is on site as a convenience to exhibitors and to service show management, and is by no means the only choice available. Exhibitors are welcome to use either the Official Carrier or their carrier of choice. Rates may be negotiated in advance by calling this carrier.

OTHER CARRIERS

If freight is consigned to a service other than the Official Carrier, that service must check in with the loading dock by 7:00 pm on Wednesday May 25th, 2016. Show Management, ExpoPlus and the Official Carriers cannot be responsible for checking with all designated services. If you have chosen a carrier other than the Official Carrier, then we suggest that you have a representative from your company call your carrier during move-out to check on the status of the shipment. Many times, a reminder phone call from you will get the carrier there quickly.

RECONSIGNED FREIGHT

A “reconsignment” occurs when a carrier does not check-in or show up at the dock for the consigned freight. We want to make sure each exhibitor’s freight is handled by their carrier of choice, and therefore no freight is reconsigned until we must move it to complete the contracted move-out agreement, between Show Management, the convention center, and ExpoPlus.

MATERIAL HANDLING FORM CONTINUED

Cobb Galleria Centre May 25, 2016

1. ExpoPlus and its subcontractors shall not be responsible for damage to uncrated materials, materials improperly packed, glass breakage, or concealed damage.
2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by ExpoPlus or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pick-up of materials from the booth for loading onto a carrier. With the knowledge that during such times the shipment(s) will be left in the booth unattended, it is recommended that a representative from the exhibiting company stay with the shipment until it is picked up.
Therefore, it is agreed that ExpoPlus and its subcontractors are not responsible for the loss or disappearance of Exhibitor's materials after the same have been delivered to Exhibitor's booth, nor are ExpoPlus and its contractors responsible for Exhibitor's materials before they are picked up from the Exhibitor's booth for loading after the show. Consequently, all Bills of Lading covering outgoing shipment(s) submitted to ExpoPlus or its subcontractors by Exhibitor will be checked at the time of pick-up from the booth and corrected where discrepancies exist.
3. ExpoPlus and its subcontractors shall not be held liable for any damage incurred during the handling of equipment requiring special devices to properly load, place or reload unless advance notice has been given to ExpoPlus in time to obtain the proper equipment.
4. ExpoPlus and its subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts, or work stoppages of any kind.
5. ExpoPlus and its subcontractors shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond their control.
6. It is understood that ExpoPlus and its subcontractors are not insurers. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by ExpoPlus hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that ExpoPlus and its subcontractors do not provide for full liability should loss or damage occur.
It is agreed that if ExpoPlus or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors or from negligence, active or otherwise, by ExpoPlus, its subcontractors or their employees.
7. ExpoPlus and its subcontractors shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for any collateral costs that may result from any loss or damage to Exhibitor's materials, which may make it impossible or impractical to exhibit.
8. Claims for loss or damage must be submitted to ExpoPlus by the close of the show. No suit or action shall be brought against ExpoPlus or its subcontractors more than one year after the cause of action.
9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its materials, that ExpoPlus and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of ExpoPlus or its subcontractors shall sign a delivery receipt, Bill of Lading or other document, we agree that ExpoPlus or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.
10. ExpoPlus and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as UPS or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.
11. Empty container labels will be available at the ExpoPlus Service Center. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and ExpoPlus and its subcontractors assume no responsibility for loss or damage to contents while containers are in storage or for mislabeled containers.
12. In order to expedite removal of materials from the show site, ExpoPlus shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, materials will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. ExpoPlus assumes no liability as a result of such re-routing or handling.
13. The Exhibitor agrees, in the event of a dispute with ExpoPlus or its subcontractors relative to any loss or damage to any of our materials or equipment, that the Exhibitor will not withhold payment in any amount due to ExpoPlus for material handling services or any other services provided by ExpoPlus or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay ExpoPlus prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against ExpoPlus or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits. The consignment or delivery of a shipment to ExpoPlus or its subcontractors by an Exhibitor or by any shipper on behalf of the Exhibitor shall be construed as an acceptance by such Exhibitor (and/or other shipper) of the terms and conditions set forth in Sections 1 through 13 above.
ExpoPlus and its subcontractors are not insurers of you or your property and will not assume responsibility for loss, injury or damage where the direct cause of the loss, injury or damage is unknown or indeterminable. Be sure your materials are insured from the time they leave your firm until they are returned after the show.

Show Management, acting on behalf of all Exhibitors and in the best interest of the exposition, has appointed Official Service Contractors to perform and provide necessary services and equipment.

Official Service Contractors are appointed to:

- a. Insure the orderly and efficient installation and removal of the overall exposition,
- b. Assure the distribution of labor to all Exhibitors according to need,
- c. Provide sufficient labor to satisfy the requirements of Exhibitors, and for the exposition itself,
