

WEDNESDAY June 19th 2019

08:00 - 09:00	<i>Preconference registration</i>		
09:00 - 17:00	Joint ACLP-EAPM preconference on pathophysiological considerations in psychosomatics		
09:00 - 10:30	Session 1: Psychological pathways in psychosomatic medicine		
	Richard Lane (Tucson, USA): <i>Emotional awareness and affective agnosia</i>		
	C. Waller (Nürnberg, Germany): <i>Attachment and functional somatic complaints</i> J. Rosmalen (Groningen, The Netherlands): <i>Functional somatic symptoms: what do we think and what do we know?</i>		
10:30 - 10:45	<i>Break</i>		
10:45 - 12:15	Session 2: Physiological pathways in psychosomatic medicine		
	J. Fiedorowicz (Iowa City, USA): <i>Neuroinflammation in psychosomatics</i>		
	A. Pieper (Cleveland, USA): <i>Role of the neurovascular unit in neurodegeneration</i> B. Rutten (Maastricht, The Netherlands): <i>Epigenetics of differential susceptibility to traumatic stress: a perspective for psychosomatic medicine?</i>		
12:15 - 13:15	<i>Lunch</i>		
13:15 - 14:45	Session 3: Integrated mechanisms in behavioral neurology		
	- A. Bisdorff (Esch-sur-Alzette, Luxembourg): <i>Update on structural vestibular disorders</i>		
	- S. Eggers (Rochester, USA): <i>Update on syndromal vestibular disorders</i> - J. Staab (Rochester, USA): <i>Functional and psychiatric causes of vestibular symptoms</i>		
14:45 - 15:00	<i>Break</i>		
15:00 - 16:30	Session 4: Pathways along the body-brain axis		
	L. van Rossum (Rotterdam, The Netherlands): <i>Functional somatic symptoms: what do we think and what do we know?</i>		
	K. Ladwig (München, Germany): <i>Common soil of maladaptive stress-reactivity in diabetes mellitus and cardiovascular disease</i> J. Tack (Leuven, Belgium): <i>The gut-brain interaction</i>		
16:30 - 17:00	General discussion		
	Discussion leader: M. Sharpe (Oxford, United Kingdom) Proposed themes/questions: - assessment of body-brain crosstalk, - cross-sensitisation at the body-brain axis, - treatment along the body-brain axis, ...		
17:15 - 19:15	17:15 - 19:15 EAPM Executive Council Meeting	Conference registration	
19:15 - 20:15	Welcome reception		

THURSDAY June 20th 2019

09:00 - 10:00	Masterclass registration							
10:00 - 12:00	<i>Carus Master Class 1</i> Allison Creed Award Winner Tba	<i>Carus Master Class 2</i> Integrated care in functional gastro-intestinal disorders J. Tack (Leuven, Belgium), D. Dumitrascu (Cluj, Romania), L. van Oudenhove (Leuven, Belgium)	<i>Carus Master Class 3</i> To say or not to say, that's the question! How (not) to communicate with patients with functional symptoms: a video-based workshop J. Rosmalen, (Groningen, The Netherlands), L. Tak (Deventer, The Netherlands):	<i>Carus Master Class 4</i> Integrated care in patients with diabetes mellitus or cardiovascular disease and comorbid mental health impairments K. Ladwig (München, Germany)	<i>Carus Master Class 5</i> Pharmacotherapy in psychosomatic conditions U. Malt & B. Bürker (Oslo, Norway)	09:00 - 10:45 EAPM Advisory Board meeting		
	12:00 - 13:00	<i>Lunch participants Masterclass</i>						
12:00 - 13:00	<i>Conference registration (only coffee/tea, no lunch is served)</i>							
13:00 - 14:45	Plenary session							
	13:00 - 13:15 Opening EAPM president & President EAPM 2018 congress							
	13:15 - 13:45 Keynote lecture 1: The psychosomatic dream of integrated mental and physical care: only a dream? M. Sharpe (Oxford, United Kingdom)							
	Plenary session 1 - Somatic symptom disorder or persistent somatic symptoms? 13:45 - 14:15 Persistent physical symptoms: Descriptive or etiologically-oriented classification? Implications for treatment A. Schröder (Aarhus, Denmark) 14:15 - 14:45 Biased competition for physical over emotional pain in the context of early adversity R. Lane (Tucson, USA)							
14:45 - 15:15	<i>Break</i>							
15:15 - 16:45	Scientific symposia 1	Scientific symposia 2	Scientific symposia 3	Scientific symposia 4	Scientific symposia 5	Scientific symposia 6	Scientific symposia 7	Scientific symposia 8
16:45 - 17:45	<i>Break & poster session</i>							
17:45 - 19:15	Scientific symposia 9	Scientific symposia 10	Scientific symposia 11	Scientific symposia 12	Scientific symposia 13	Scientific symposia 14	Scientific symposia 15	Scientific symposia 16
19:15 - 20:30	EAPM general assembly							

FRIDAY June 21st 2019

08:00 - 08:30	Conference registration							
08:30 - 10:00	Plenary session 2 - Patient centred care							
	08:30 - 09:00 Shared Decision Making - a relevant model in psychosomatic medicine? T. van der Weijden (Maastricht, The Netherlands)							
	09:00 - 10:00 Reassurance and explanation in primary care management of somatic symptoms C. Burton (Sheffield, United Kingdom)							
	Keynote lecture 2 - Value based health care							
	10:00 - 10:30 Incorporating mental states in the somatic symptom mix: Experience sampling in the era of 'value-based' medicine J. van Os (Utrecht, The Netherlands)							
10:00 - 10:30	Break							
10:30 - 12:00	Scientific symposia 17	Scientific symposia 18	Scientific symposia 19	Scientific symposia 20	Scientific symposia 21	Scientific symposia 22	Scientific symposia 23	Scientific symposia 24
12:00 - 13:00	Lunch break							
13:00 - 14:30	Plenary session 3 - Models of integrated care in specific populations							
	13:00 - 13:30 Collaborative care in psycho-oncology: from research to practice J. Walker (Oxford, Great Britain)							
	13:30 - 14:00 A Pelvic Care Centre G. van Koeveeringe (Maastricht, The Netherlands)							
	14:00 - 14:30 Integrated medical and psycho-social care during pregnancy and childbirth E. Steegers (Rotterdam, The Netherlands)
