Biography

Bill Speroni, Buyer Leader for the Gas/Oil Generation Procurement at Arizona Public Service. Over 25 years of Supply Chain experience, about 21 in Nuclear. Born in Buenos Aires, Argentina. Falkland War veteran, married, with four kids and eight grandchildren.

Abstract - Industry Contract Management

The sessions will address challenges common to our diverse fleets such as availability of qualified contractors due to an aging workforce, addressing contract best-practices, and how new the generation of employees is positively affecting the workforce. We will also have an INPO presentation on equipment aging and obsolescence.
