Hotel Safety

It is always recommended that you lock your hotel room door and store your passport, identity documents, airline tickets, credit cards, and cash in the safe in your hotel room. For added security and privacy, be sure to use the latch and place the *Do Not Disturb* sign on your door.

Gratuities

Taxes and gratuities for airport baggage staff (upon arrival in Punta Cana), drivers, bellmen and meals during all scheduled League of Excellence events and activities are included. Gratuities for personal

activities, such as room service or bar service, are not included and are at your personal discretion. 15% is a suitable guide.

Incidental Expenses

For your convenience, the hotel maintains a separate account for incidental/personal charges, which should be paid directly to the hotel prior to your departure. The Hard Rock Hotel Punta Cana accepts only MASTERCARD, VISA, American Express and DISCOVERY credit cards, debit cards or U.S. dollars for payment of this account. These charges are considered personal expenses and cannot be expensed back to cost centres as a travel cost.

Currency and Exchange

The official currency in the Dominican Republic is the Dominican Republic Peso, however, the U.S. dollar (US\$) is readily accepted. Canadian dollars can be exchanged at a licensed exchange bureau in the airport, or at the currency exchange desk at the hotel.

We suggest that you carry a small amount of US\$ with you and visit the ATM at the resort if you require additional funds. The ATM machine at the resort dispenses Pesos only and there is a small fee to use the ATM. Travellers Cheques are not accepted.

We recommend that you confirm the prices and currency of any items you wish to purchase prior to completing the transaction as prices may be listed in either Pesos or US\$.

If you will be using a credit card for purchases, please advise your credit card company of your travel plans to avoid any inconveniences while travelling.

Hospitality Desk

Throughout your stay in Punta Cana, the TD League of Excellence Hospitality Desk will be available in the Groups Lobby. Should you have any questions or specific needs during your stay, Wynford staff will be pleased to assist you.

Name Badges

You will be provided with a name badge upon your arrival at the hotel. **Please ensure you wear your name badge at all times.**

Dietary Requirements

If you have specified any dietary requirements during registration, we will make every effort to accommodate them. You will receive a special meal card with your name badge upon arrival at the hotel. Please present this meal card to the wait staff at the hotel during group meals. If you require any further assistance with your meals, please speak to a Wynford staff member present at all meal functions.

Tap Water

The tap water in your room is purified, however it is not recommended that you drink or brush your teeth with tap water. Use only bottled water that is marked as "Purified" ("agua purificada"). Guestrooms will be replenished daily with bottled water.

Internet Access

Complimentary Wi-Fi is available in all guestrooms and throughout the resort. To avoid any carrier charges, it is recommended to keep your mobile device off or in 'Airplane Mode' until you are able to connect to Wi-Fi upon checking into the hotel.

Telephone Access

Your guestroom is equipped with a telephone that allows you to make direct-dial calls. All phone calls to the Continental U.S. and Canada are complimentary. You will be responsible for any charges associated with calls outside the U.S. or Canada, or any 1-800 type calls.

Electrical Current

The Dominican Republic uses the 110 volt/60Hz system. You are not required to bring a power adaptor unless you are travelling from outside Canada or the United States.

Time Difference

The Dominican Republic is on Atlantic Standard Time and does not participate in Daylight Savings Time. Please ensure you adjust your watch accordingly upon arrival in Punta Cana.

Below are recommended guidelines for event attire. To assist with your packing and attire selection for each event, please refer to the itineraries on pages 13 to 17 for event-specific recommended attire.

Resort Casual attire is acceptable for informal daytime events and refers to clothing that is comfortable and appropriate to the setting and the occasion. This consists of casual pants, shorts, and a t-shirt or golf shirt for men; and casual pants or capri pants, sundresses, shorts or skirts, and a t-shirt or tank top for women. Swimsuits, flip flops and running shoes are acceptable attire for poolside and resort activities. Examples of Resort Casual attire are on the left.

A light jacket, sweater or wrap are recommended for the evenings. No swimsuits.

Smart Elegant attire is recommended for the gala evening. This consists of dress pants, dress shirt and closed toe shoes for men (a jacket and tie are optional but not required); and a top, pants, skirt or a cocktail dress for women. No shorts, t-shirts, flip flops, swimsuits or jeans. Examples of Smart Elegant attire are on the left.

Travel Document Information and Requirements

Your personal flight itinerary will be emailed to you two weeks prior to travel, at the email address(es) provided during registration. Please check your documents carefully for accuracy. The name on your electronic airline tickets must exactly match the name on your passport, otherwise boarding may be denied. If there are any discrepancies, please contact Kate Czechoska at kczechoska@wynfordtwg.com or 416-443-9696 ext. 356.

Note: The first name, middle name or initial (if applicable), **and** last name on your ticket must **EXACTLY** match what is listed on your **passport** or boarding may be denied.

Note: If you are on a chartered flight to/from Punta Cana, you will not receive a hard-copy ticket. The ticket confirmation notice sent to you by Wynford will replace your ticket.

Canadian Travellers

The Government of Canada has made it mandatory that Canadian citizens carry a valid Canadian passport for all visits abroad. If you are a Canadian citizen, and you currently do not possess a Canadian passport, you will need to apply for your Canadian passport immediately in order to have it in time to travel. To find out how to obtain a Canadian passport, visit <http://www.cic.gc.ca/english/passport/>.

Canadian citizens must carry a valid passport for travel to the Dominican Republic. It is highly recommended that the passport has at least **six months'** validity post-travel (i.e. June 13, 2018).

Permanent Residents of Canada must present their Permanent Resident Card and either a valid Passport or Refugee Travel Document. Permanent Residents and Landed Immigrants in Canada are encouraged to confirm travel requirements with the Dominican Republic Embassy. For more information, visit http://www.canadainternational.gc.ca/dominican_republic-republique_dominicaine/index.aspx?lang=eng.

Effective September 30, 2016, Canadian citizens with dual citizenship will only be allowed to fly into the country if they have a valid Canadian passport and will no longer be able to use the passport of the other country to return to Canada.

U.S. Travellers

U.S. citizens must carry a passport with **six months'** validity post-travel (i.e. June 13, 2018) for travel to the Dominican Republic. For further U.S. passport information, visit www.travel.state.gov.

In addition to a valid passport, all non-U.S. citizens who are Permanent Residents or Landed Immigrants in the U.S. may require additional documentation for entry into the Dominican Republic. For further information, please visit <https://travel.state.gov/content/passports/en/country/dominican-republic.html>.

International Travellers

For international travellers, visas and passports with **six months'** validity post-travel (i.e. June 13, 2018) may be required. International citizens are responsible for obtaining all necessary travel documents. To confirm the requirements, it is recommended that international travellers contact their local Consulate of the Dominican Republic prior to travel.

All Travellers

During your flight, all travellers will be required to fill out Customs and Immigration forms. After approving your entry, stamping your form and collecting your immigration and tourist card, you will be able to proceed to the luggage carousel.

General Travel Information

Zika Virus

Dominican Republic is within one of the regions identified by the World Health Organization as being impacted by the spread of the Zika Virus (a mosquito-borne disease). Supplies of recommended insect repellent will be available onsite at the TD League of Excellence Hospitality Desk. Please read the notice from the Centres for Disease Control and Prevention at <https://wwwnc.cdc.gov/travel/notices/alert/zika-virus-dominican-republic> and note what travellers can do to prevent Zika. If you have concerns, please speak with your healthcare practitioner about your travel plans before travelling.

Immunization

You are responsible for acquiring any necessary vaccines for the Dominican Republic as recommended by your healthcare professional, at your cost. TD will not pay for any immunizations.

Emergency Travel Medical Information

Since the League of Excellence event is a business event, your emergency travel medical coverage will provide you with medical and accident coverage while travelling. Please refer below for information pertaining to your country of residence.

Canada:

Emergency travel medical coverage provides reimbursement for eligible emergency medical expenses not covered under your provincial health care plan and provides emergency travel assistance services when you are travelling outside of Canada, up to 60 days on TD business. Go to the Benefits & Pension website and

review the Emergency Travel Medical coverage in your Benefit Booklet for important plan information on limitations and restrictions, including pre-existing conditions.

Employees enrolled in the TDI (GI) employee benefits plan, must have medical coverage, which includes emergency travel medical coverage for personal or business trips up to 60 days. Go to the Manulife website and review the Out of Province / Out of Canada coverage in your Benefit Booklet for important plan information on limitations and restrictions, including pre-existing conditions.

If you have lost your Manulife benefits card, be sure to print it from Manulife's Plan Member Secure Site (www.manulife.ca/planmember) before you leave. This card provides you with the numbers to call in the event a medical emergency occurs.

Pre-Existing Conditions:

Stable medical conditions are covered under the emergency travel medical plan. For instance, coverage is available for unexpected medical emergencies related to a diagnosed medical condition – such as diabetes – if it was considered medically stable before you left your province of residence. If you have a diagnosed medical condition or you are pregnant, you should contact Manulife to understand what medically stable means. If your condition will not be considered medically stable, it is recommended that you obtain personal out-of-country insurance prior to travelling.

U.S.:

For U.S. employees, Aetna will only cover those services considered urgent in nature. Any follow-up care coverage must be approved by National Medical Excellence (NME) by calling 215-775-6445. NME will also approve any medically necessary transportation and authorize any inpatient services. Members must pay for services up front and obtain the necessary itemized bills and medical records to submit to Aetna for reimbursement upon their return to the U.S.

U.K.:

TD provides you with travel coverage for emergency medical expenses while on business trips away from your regular place of employment. You are automatically enrolled under this provision upon your date of hire.

Emergency travel assistance for TD Waterhouse UK employees is provided by RSA (supported by FirstAssist and Drum Cussac) and emergency travel assistance for TD Securities UK employees is provided by Chubb Assistance. For both businesses, an assistance card can be obtained from Human Resources. This card provides you with the hotline number to call in the event a medical emergency occurs.

International:

Prior to travel, please connect with your HR partners for more information on travel medical coverage based on your jurisdiction.

Customs and Immigration

Travellers connecting through the U.S. will be required to clear U.S. Customs and Immigration. Pre-clearance may take place at the Canadian departure city or upon arrival in the U.S. connection city. Please have your passport and travel documents ready for presentation to customs officials.

For travellers outside North America connecting to Punta Cana, you will be required to clear Customs and Immigration upon arrival in the U.S. or Canada.

If you are travelling with valuables such as an expensive camera, watch, or jewelry, we suggest you register these items with Customs at your local airport prior to departure. Without a customs declaration or sales receipt, the Customs official may assess duty on the item(s) upon your return.

Airport Check-In

Due to increased airport security measures, please ensure you check in at the airport a **minimum of three hours** prior to your departure to allow time for check-in, Immigration, Customs formalities and security clearance. Late arrivals may be denied boarding.

All flight times are subject to change without prior notice. We recommend you check the flight status before leaving for the airport to confirm your departure time. If you are having someone meet you at the airport upon your return, they should also check the flight status to verify arrival time.

Baggage Identification

Please remove all outdated tags from your luggage and attach the League of Excellence luggage tag (provided to you in your award presentation package) with your name, address and phone number on it to your luggage. This will identify you as part of the group, expedite the identification and safe handling of your luggage at the airport, and ensure timely and hassle-free delivery of your luggage to your hotel room. We also suggest that you include your address somewhere inside your luggage, in case tags go astray.

Carry-on Baggage Allowance

Passengers are allowed one carry-on bag plus one personal item such as a purse, briefcase, laptop or backpack. The maximum size of carry-on luggage for all airlines is 23 cm x 38 cm x 53 cm weighing a maximum of 10 kg (22 lb).

Objects such as lighters, razors, corkscrews with a knife or pocket-knives are not allowed in your carry-on luggage. Please check with your airline's website prior to travel to confirm what is and is not allowed in your carry-on.

Passengers with more than one carry-on plus one of the personal items listed above will be required to check additional items at an extra cost (see Travel Expenses on page 12 for more information). All carry-on items are subject to screening. Please ensure that all electronic devices are operational. Please ensure that your electronic devices are fully charged on your day of travel. For security reasons, you may be asked to turn on these devices. The airline reserves the right to prohibit any item that they consider to

be a security risk. **Samsung Galaxy Note 7, powerless and/or broken devices will not be permitted on the aircraft.**

It is recommended that you bring your own headphones in order to watch TV or a movie on the flight. If you purchase headphones on the flight, charges will be at your sole expense.

Liquids on Board

Airport security will permit up to 100 ml (4 oz) of non-prescription liquid medications through the security checkpoint and onboard airplanes. Low blood sugar treatments including glucose gel for diabetics are permitted. Travellers can bring 100 ml (4 oz) containers of toiletries. Items must be in a one litre (quart) clear, plastic, zip-top bag.

Checked Baggage Allowance

One piece of checked baggage is permitted per person and the weight must not exceed 23 kg (50 lb). There is a fee issued by the airline for checked baggage over and above the allowance (see Travel Expenses on page 12 for more information).

With the frequent changes in allowances for checked baggage, both in weight and quantity of bags, it is recommended you visit the website of your confirmed airline to ensure exact allowances and restrictions prior to packing. Fees apply for checked baggage in each direction. You will need to pre-pay your baggage fee (if applicable), which can be done during online check-in for your flight 24 hours prior to departure or at the airport. Should your baggage exceed maximum weight and/or you exceed the one piece checked baggage per person limit, you will be required to pay the excess cost at your expense. TD will allow each person to submit an expense claim for one piece of checked baggage in each direction (see Travel Expenses on page 12 for more information and for details on submitting your baggage fee expense claim).

Do not pack your documents, tickets, valuables or prescribed medication with your checked baggage; always carry these items with you while travelling. We cannot be held responsible for any uninsured baggage.

Note: ensure you have additional baggage space for any souvenirs you may purchase on your trip.

Lost Baggage

It is unfortunate, but true – from time to time, baggage does go missing. Advise Wynford staff at the airport if your baggage does not arrive, so appropriate forms can be completed before departing the airport. They will follow up with the airline to locate your baggage as quickly as possible.

We recommend that you carry your bathing suit and a complete change of clothes, and any necessary liquids or prescriptions within the “Liquids on Board” guidelines above, in your carry-on luggage in case the arrival of your checked baggage is delayed.

Arrival Procedure

If travelling on Air Canada, WestJet or the Charter Flight to the Dominican Republic, or if you are an international traveller (travelling from a destination outside of Canada or the U.S.), the cabin crew will

issue a pre-paid Tourist Card and two forms (one blue one for immigration and one white one for customs) which you will be required to complete and surrender once you arrive. Please place this Tourist Card with your passport for easy access upon arrival at the airport as **you will not be able to enter without it.**

If travelling on any other airline, a Tourist Card will be provided to you in advance with your luggage tags. All recipients travelling from the U.S. will receive their tourist cards in their presentation package sent by TD.

As you enter the airport, please bypass the line to purchase tourist cards and proceed directly to the area marked: Tourist Card Holders/Residents. You will then proceed through to Immigration to have your passport stamped. After your passport is stamped, proceed to the baggage claim area. Refer to the monitors for your baggage carousel number. After collecting your baggage and clearing Customs, follow the exit signs until you are outside. Once outside, look for the Wynford travel staff holding League of Excellence signage who will direct you to a vehicle for your transfer to the hotel. Transfer time to the hotel is approximately 25 minutes.

Taxable Benefits

IRS and CRA guidelines require a minimum of four and a half hours of each day at the League of Excellence event be spent on business-related activities. Since the event meets this guideline, you will not be subject to taxable benefits for any element of the program.

Travel Expenses

Transportation expenses incurred to and from your home airport (including parking charges) and checked baggage fees are not included in this event. These expenses are to be approved by your people manager prior to travel and expensed to your business cost centre upon return from Punta Cana. TD will cover neither the costs of checking any additional baggage in excess of the one checked baggage per person limit nor costs for additional baggage weight. When travelling on Bank business, travellers must make every effort to minimize the cost to the Bank and to our shareholders, and commit to environmentally efficient and responsible travel practices.

Social Media Guidelines

Many of you use social media to connect and communicate. Some of you may want to share your League of Excellence experience on social media. To ensure you protect your personal brand and TD's reputation, we want to remind you of TD's guidelines for using social media.

TD's Guidelines for Using Social Media

As a best practice, refrain from posting photos that display alcoholic beverages, excessive drinking and partying.

Practice Transparency: If, in your personal posts, you want to speak about or refer to TD, you should disclose the fact that you are a TD employee and make it clear that you are speaking for yourself and not on behalf of TD. In these posts, please use a disclaimer, such as: "These opinions are entirely my own and do not represent TD's position, strategies or opinions."

Confidentiality and Privacy are Paramount: As a trusted financial institution, it is our responsibility to respect and protect the confidentiality and the privacy of our customers, employees and suppliers. We are also respectful of our competitors. To protect this trust, you may not disclose or use any restricted, confidential, internal or proprietary information about or belonging to TD (including for example, logos, internal documents or discussions, presentations, audios/videos and software), its employees, customers, suppliers or competitors.

Be a Good Online Citizen: Be aware that you are responsible for any information you post on social media, and may be held accountable for it by TD, its stakeholders or third parties. Be respectful and refrain from posting any information that violates any laws or is discriminatory, defamatory, obscene, threatening, intimidating, hateful or harassing.
