SECOND  
DELEGATE  
announcement

Unity in Diversity

Combined 65th SOUTH AFRICAN  
ORTHOPAEDIC CONGRESS 2019

**DURBAN ICC 2-6 SEPT**

# CONGRESS REGISTRATION AND PROGRAMME

July 2019

---

*32 International  
speakers in  
conjunction with our  
local experts*

*Opportunity to  
interact with opinion  
leaders in all fields  
of orthopaedics*

## LETTER FROM THE CHAIRMAN: CONGRESS COMMITTEE 2019

Dear Colleagues

The Combined meeting of the South African Orthopaedic Association is now less than 2 months away. It will take place from the 2nd to the 6th of September 2019 in Durban, South Africa at the International Convention Centre. Our theme is Unity in Diversity.

On behalf of the SAOA and the Congress Committee I would like to invite you to all attend. Arrangements are at an advanced stage and 32 International invited speakers have agreed to participate. This in conjunction with our local experts represents a phenomenal opportunity to be exposed to the latest opinion leaders in all orthopaedic fields.

The program has contributions from 10 subspecialty groups and includes professional development sections. I would like to thank the Orthopaedic trade for their participation. The latest developments in implants and technology will be displayed and presented.

There are parallel sessions where the best Registrar papers will compete for the GT du Toit prize.

This combined format also represents an opportunity for members of the different subgroups to meet old friends at the evening social functions. The accompanying persons committee have organized an interesting program for spouses and partners to enjoy.

Durban is a vibrant city on South Africa's east coast with a fusion of culture and cuisine. There is also a beautiful coastline and promenade to enjoy, with game parks and the Drakensberg Mountains not too far away for those wanting to extend their stay.

***It is time to register for the SAOA Combined meeting. See you in Durban in September!***

**Best wishes  
Dr Ian Stead  
Chairman  
Congress Committee 2019**

## OPENING SPEAKER

### PROF. BRUCE SIDNEY RUBIDGE ▼

Prof. Bruce Rubidge is Director of the DST/NRF Centre of Excellence for Palaeosciences. Following completion of his B.Sc., B.Sc. (Hons) cum laude at Stellenbosch University he was appointed to a curatorial position in the Karoo Palaeontology Department at the National Museum in Bloemfontein in 1980,

becoming Head of the Department in 1982.

He was appointed Director of the Bernard Price Institute (BPI) and Head of the Palaeontology Department at the University of the Witwatersrand. In 2013, with the amalgamation of the BPI Palaeontology and the Institute for Human Evolution (IHE) to form the Evolutionary Studies Institute (ESI) he was appointed interim director of the amalgamated institute and Director of the newly established DST/NRF Centre of Excellence for Palaeosciences. He has published more than 160 research publications in internationally accredited journals and 36 MSc and PhD students achieved their degrees under his supervision.

Being passionate to expose the palaeoheritage of South Africa to the public, Rubidge was instrumental in setting up a palaeoscience museum at Wits which forms the core of an active palaeoscience outreach programme. He was also involved in the development of the Cradle of Humankind World Heritage site, the Golden Gate Dinosaur exhibition Centre, and setting up the Kitching Fossil Exploration Centre in Nieu Bethesda as a sustainable palaeotourism business which employs local people from the town.

## SUBSPECIALITY GROUPS

### *SA Arthroplasty Society (SAAS)*

Theme: Academic Enhancement in Revision Total Knee Arthroplasty and the Difficult Primary Knee Arthroplasty

### *Hand*

Theme: Demystifying Common Hand problems
