

Thank you to our 2016 Conference Platinum Sponsors!

ADVANCING WATER

Sunday, September 11, 2016

REGISTRATION  
12:00 PM - 5:00 PM  
Location: Longs Peak Foyer

GOLF TOURNAMENT  
9:00 AM - Registration & Breakfast  
10:00 AM to 3:30  
River Course

Is Your Toilet Running? 5K Run  
Start: 2:00 PM  
Meet at Keystone Conference Center

EXHIBIT HALL SETUP  
"EXHIBITOR'S ONLY"  
11:00 AM - 5:00 PM  
Columbine Ballroom

MEET AND GREET RECEPTION  
5:00 to 7:00 PM  
Gallery and Lakeside Suite on the 3rd Floor at Keystone Lodge

Monday, September 12, 2016

Registration and Breakfasts

REGISTRATION  
7:00 AM to 5:00 PM  
Longs Peak Foyer

RMSAWWA BREAKFAST  
7:00 AM  
Castle Peak 3 & 4

RMWEA BREAKFAST  
7:00 AM  
Castle Peak 1 & 2

Registration/ Breakfasts

8:30	REGISTRATION 7:00 AM to 5:00 PM Longs Peak Foyer						RMSAWWA BREAKFAST 7:00 AM Castle Peak 3 & 4						RMWEA BREAKFAST 7:00 AM Castle Peak 1 & 2						8:30
9:00	OPENING SESSION 8:30 to 10:00 AM Colorado Rockies Ballroom												9:00						
9:30	OPENING SESSION 8:30 to 10:00 AM Colorado Rockies Ballroom												9:30						
10:00	NETWORKING BREAK Exhibit Hall Columbine Ballroom												10:00						
Room	Torreys Peak I Moderator: Pieter Van Ry, Parker W&SD		Torreys Peak II Moderator: Mary Beth Sullivan, Carollo Engineers		Torreys Peak III Moderator: Andrea Long, Kennedy Jenks		Torreys Peak IV Moderator: Brian Daw, HDR		Crestone Peak I Moderator: Bill Peretti, Coombs Hopkins		Crestone Peak II Moderator: Jeff Oxenford, RCAP		EXHIBIT HALL SETUP "EXHIBITORS ONLY" 7:00 AM to 11:30 AM Columbine Ballroom		Room				
Session	Session 1: Planning Tools for Utility Management		Session 2: Enhanced Biological Phosphorus Removal		Session 3: WW Nutrient Regulations		Session 4: Peracetic Acid Disinfection		Session 5: Selenium Compliance and Optimization		Session 6: Water Distribution		Session						
10:30	Creating Your Organization's Vision, Mission, and Values Jamie Langer, Parker Water & Sanitation District		Rethinking Biological Phosphorus Removal and Nutrient Recovery Processes Jose Jimenez, Brown & Caldwell		Regulations - What's New with Nutrients and Beyond Sarah Reeves, Brown & Caldwell		Peracetic Acid Disinfection - Benefits and Limitations Tanja Rauch-Williams, Carollo Engineers		A Practical Approach to Deal with Selenium Limits in Your Discharge Permit: Thinking Beyond Strictly Numbers Jennifer Hudson, Farnsworth Group, Inc.		Think Tank - Westminster's Experience with a Multi-Year Tank R&R Program Stephen Grooters, City of Westminster		10:30						
11:00	You Say "Compliance Management," I Say "Knowledge Retention"... Say What?! Sean Lieske, Aurora Water		The Hidden Costs of Biological Phosphorus Removal: Unintended Struvite Formation and Prevention Becky Luna, Carollo Engineers		Meeting Nutrient Regulations - A New Connection to the Colorado River Colin Haggerty & Stephanie Elliott, Stantec		Evaluation of Peracetic Acid for Effluent Disinfection Edyta Stec-Uddin, MWRD		Biological Process Optimization of Nitrate and Selenium Removal Lauren Lundquist, Tetra Tech		Disinfecting Water Mains with Ozone Gas—New Mobile Technology is Effective and Saves Time Jillian Vandegrift, CDM Smith		11:00						
11:30	RMWEA BUSINESS LUNCHEON & AWARDS 11:30 AM to 1:00 PM Castle Peak Rooms												11:30						
12:00	RMWEA BUSINESS LUNCHEON & AWARDS 11:30 AM to 1:00 PM Castle Peak Rooms												12:00						
1:00	NO TECHNICAL SESSIONS --- EXHIBIT HALL OPEN Pinning Ceremony - Colorado Professional Operators 1:00 PM to 1:30 PM Columbine Ballroom												1:00						
1:30	WATER TASTE TEST Exhibit Hall 1:30 PM to 3:00 PM Columbine Ballroom												1:30						
2:00	WATER TASTE TEST Exhibit Hall 1:30 PM to 3:00 PM Columbine Ballroom												2:00						
Room	Torreys Peak I Moderator: Richard Gerstberger, TAP Resources		Torreys Peak II Moderator: Sarah Reeves, Brown & Caldwell		Torreys Peak III Moderator: Melissa Elliott, Denver Water		Torreys Peak IV Moderator: Perry Holland, Metro Wastewater		Crestone Peak I Moderator: Lela Perkins, Black & Veatch		Crestone Peak II Moderator: Jamie Eichenberger, HDR		EXHIBIT HALL OPEN 11:30 AM to 6:30 PM Columbine Ballroom						
Session	Session 7: Organizational Engagement/Cohesiveness—SLC Program		Session 8: Enhanced Phosphorus Removal		Session 9: Water Regulations Special Session		Session 10: Alternative External Carbon Sources Special Session		Session 11: Resource Planning		Session 12: Collection and Distribution Systems Modeling		EXHIBIT HALL OPEN 11:30 AM to 6:30 PM Columbine Ballroom						
2:30	Managing Information Silos within your Organization; Tony Petrucci, Parker W&SD and Brenda Varner, Littleton/Englewood		Bench Scale to Full Scale - P Removal for Reg. 85 Compliance and Beyond Dmitriy A. Zinchenko, Tetra Tech		Colorado's Regulatory Update: Revised Drinking Water Regulations and Other Assistance Efforts Nicole Graziano & Tyson Ingels, CDPHE		Carbon Augmentation Using Beer Waste and Dairy Whey at Multiple Colorado Wastewater Reclamation Facilities Perry Holland, MWRD; Rahul Subramanian, Colorado Springs Utilities; Link Mueller, City of Fort Collins; Cole Sigmon, City of Boulder		Identifying Needs for Integrated Water Management Lynn Stephens, Brown & Caldwell		Wastewater Model Calibration and System Analysis Emily Lowell, AECOM		2:30						
3:00	Improving Your Everyday Operations Using Lean; Nicole Babyak, Denver Water and Stephanie Crabtree, City of Golden		Results of a BioMag® Pilot Study For Biological Nutrient Removal at the Superior WWTF Patrick Radabaugh, Dewberry		Colorado's Regulatory Update: Revised Drinking Water Regulations and Other Assistance Efforts Nicole Graziano & Tyson Ingels, CDPHE		Carbon Augmentation Using Beer Waste and Dairy Whey at Multiple Colorado Wastewater Reclamation Facilities Perry Holland, MWRD; Rahul Subramanian, Colorado Springs Utilities; Link Mueller, City of Fort Collins; Cole Sigmon, City of Boulder		Above the Canopy: Finding Clarity and Consensus in Climate Change Research Chris Kurtz, CDM Smith		Using an Enhanced Hydraulic Model as a Tool to Target WQ Challenges in the Distribution System Eric Spooner, HDR		3:00						
3:30	The Supervisory Leadership Certificate Program: What's It All About and What Has It Accomplished?; Richard Gerstberger, TAP Resources		Alternative Approach to BNR Conversions: Cost & Operational Benefits of Full-Scale Testing before Redesign & Construction Bryan Coday, Carollo		Colorado's Regulatory Update: Revised Drinking Water Regulations and Other Assistance Efforts Nicole Graziano & Tyson Ingels, CDPHE		Carbon Augmentation Using Beer Waste and Dairy Whey at Multiple Colorado Wastewater Reclamation Facilities Perry Holland, MWRD; Rahul Subramanian, Colorado Springs Utilities; Link Mueller, City of Fort Collins; Cole Sigmon, City of Boulder		One Water LA - A Paradigm Shift for Creating Sustainable Water Supplies Tom West, Carollo Engineers		Impact of Green Infrastructure Modeling on Predicted Flooding using SWMM Lauren Starosta, CDM Smith		3:30						
4:00			Can Bio-P Removal Blossom in Fruita? Mark J. Maxwell, Tetra Tech Terry Anderson, City of Fruita		Colorado's Regulatory Update: Revised Drinking Water Regulations and Other Assistance Efforts Nicole Graziano & Tyson Ingels, CDPHE		Carbon Augmentation Using Beer Waste and Dairy Whey at Multiple Colorado Wastewater Reclamation Facilities Perry Holland, MWRD; Rahul Subramanian, Colorado Springs Utilities; Link Mueller, City of Fort Collins; Cole Sigmon, City of Boulder		Four Years of Operation Demonstrates Brackish Water RO Is a Cost Effective Renewable Water Supply Scott Niebur, ECCV & Doug Brown, CDM Smith		Modeling Analysis for Managing DBPs and Chlorine Residual Brock Hodgson & Kathy Schlosser, AECOM		4:00						
4:30 - beyond	TOILET BOWL TRIVIA CONTEST 4:30 to 6:30 PM Exhibit Hall - Columbine Ballroom												4:30 - beyond						

Tuesday, September 13, 2016							
Registration/Breakfasts	REGISTRATION 7:00 AM - 5:00 PM Location: Longs Peak Foyer			JOINT GOVERNING BOARD BREAKFAST 7:00 AM Castle Peak Rooms			
Room	Torreys Peak I Moderator: Karen Burgi, Black & Veatch	Torreys Peak II Moderator: Patty Brubaker, Denver Water	Torreys Peak III Moderator: Owen Randall, Fort Collins	Torreys Peak IV Moderator: Will Raatz, W2 Engineers	Crestone Peak I Moderator: Dmitriy Zinchenko, Tetra Tech	Crestone Peak II Moderator: Nicole Poncelet-Johnson, Thornton	
Session	Session 13: Distribution/Collection Systems	Session 14: Industry Challenges for Leaders and Supervisors – SLC Program	Session 15: Alternative Project Delivery Special Session	Session 16: Water Reuse	Session 17: Ice Piggings Special Session	Session 18: Water Management Potpourri	
8:30	Improved Problem Solving in the D-B Environment: Repair/Replacement of Westminster Pump Stations Bethany Yaffe & Jason Schaefer, Burns & McDonnell; Julie Koehler, Westminster	Importance of Leadership and Management in Safety; Wade McCaulley, Eagle River W&SD and Joe Otte, Parker W&SD	Alternative Project Delivery from the Perspective of the Owner, Engineer and Contractor	Increasing Reuse through New Applications and Innovative Partnerships Damian Higham, Denver Water; John Rehning, Carollo Engineers	Ice Piggings, Cleaning lines with Ice	EPA Tools and Resources for Drinking Water and Wastewater Utilities Jon Nagata, EPA	
9:00	Eight Strategies for Maintaining Water Quality in the Distribution System Jeff Oxenford, RCAP	Managing Public Trust; Gerry Whelan, Colorado Water Systems, LLC and Nick Yaris, Denver Water	Owen Randall, City of Fort Collins Robin Dorfrest, Lithos Engineering Don Silar, P.E., Stantec Jim Eurich, Hydro Construction Brad Anderson, P.E., Anderson Consulting Engineers Jeff Moore, Garney Construction	Integrated Ozone Enhanced Biofiltration System for Municipal Water Reuse - Design and Advanced System Control Considerations Matt Schomaker, Xylem, Inc.	Kevin Barnes, Suez	Stop sucking on the straw – Small Town reverses GWUDI classification by reducing well pumping Tyson Ingels, CDPHE & Joanne Fagan, Consolidated Consulting Services	
9:30	Municipalities Can Now Conserve Water, Improve WQ and Clean Distribution Mains; Without Hydrant Flushing! Chris Wilkinson, No-DES, Inc.	Rebranding the Wastewater Industry to Attract The Next Generation; Josh Johnson, Upper Blue SD and Tim Drescher, Eagle River W&SD		What Monitoring Tools do we Need for Direct Potable Reuse? (Water Research Foundation Project 4508) Jillian Vandegrift, CDM Smith	Ice Piggings in Arapahoe County, Colorado: A Case Study in Using Enhanced Distribution System Cleaning to Improve Water Quality Kevin McBrien/Katie Spahr ACWWA	Irrigation Detection Algorithms and Customer Compliance Dominique Gomez, WaterSmart Software	
10:00	NETWORKING BREAK Exhibit Hall Columbine Ballroom						
10:30	COMMITTEES						EXHIBIT HALL OPEN 10:00 AM to 5:30 PM Columbine Ballroom
11:00	RMSAWWA Water Distribution & RMWEA Collection Systems	RMSAWWA Membership & RMWEA PWO	RMSAWWA Water Treatment & RMWEA Industrial Treatment/Pretreatment	Joint Utility Management & Joint Small Systems RMWEA Biosolids	Crestone I Committees Joint Young Professionals & RMWEA Membership	Crestone II Committees Ad Hoc Stormwater Committee & RMWEA Innovative Wastewater Technology	
11:30	RMSAWWA BUSINESS LUNCHEON & AWARDS 11:30 AM to 1:00 PM Castle Peak Rooms						Light Lunch in Exhibit Hall 12:00 PM to 1:00 PM Exhibit Hall - Columbine Ballroom
12:00							
Room	Torreys Peak I Moderator: Bud Spillman, Water Reflections	Torreys Peak II Moderator: James Roche, Parker W&SD	Torreys Peak III Moderator: Joe Willich, Brown & Caldwell	Torreys Peak IV Moderator: Julie Smith, Miller Coors	Crestone Peak I Moderator: Jeff Berlin, Carollo Engineers	Exhibit Hall Moderator: Stacey Walker, L/E WWTP	
Session	Session 19: Algal Bloom Monitoring and Response Special Session	Session 20: Addressing Leadership Challenges and Reducing the Impact – SLC Program	Session 21: Colorado Alternative Project Delivery Special Session	Session 22: Energy Efficiency and Recovery	Session 23: Wastewater	Session 24: New Technologies	
1:00	Harmful Algal Bloom Monitoring and Response Strategies for Drinking Water Systems	Overcoming Generational Generalizations; Randy Hellinger, Parker W&SD and Andy Rossello, City of Aspen	Colorado Alternative Project Delivery Success!	Methods to Reduce Thermal Impacts to Surface Waters from POTWs in Colorado Jacqueline Wesley, Becky Dunavant & Richard Meyerhoff, CDM Smith; Jon Erickson, CDPHE	Are your Digesters Burping, Frothing, or otherwise not Behaving? This is not the same paper you've already heard five times; John Willis, Brown & Caldwell	Innovative Membrane Aerated Biofilm Reactor for Simple, Low Energy Nutrient Removal Grant MacInnis, GE Water and Process Technologies	
1:30	David Dani, Colorado Safe Drinking Water Program Rhonda Birdnow, Denver Water Chad Seidel, Corona Environmental Consulting Sherry Scaggiari, Aurora Water Kelly Cline, City of Westminster Pinar Omur-Ozbek, Colorado State University	Developing Engagement; Ben Emerson, Parker W&SD and Ramon Arguello, Fort Collins	Keith Molenaar, University of Colorado Boulder Joe Wingerter, Kiewit Infrastructure Group Kirk Petrik, Denver Water Roger Berg, PE & Brian Grandy, CCM, Loveland	Energy Efficiency & Process Optimization Bob Frachetti & Bob Lonergan, FEI Engineers	Designing for Filament Control Ron Schuyler, COWAC	Optimizing Nutrient Removal Using SBR and Cloth Media Filtration Technologies Manuel de los Santos, Aqua-Aerobic Systems, Inc.	
2:00		Maintaining Effective Workplace Boundaries; Nichol Bussey, Castle Rock Water and Rhonda Lancaster, Pinery W&SD		Heat Recovery from Wastewater - International Experience and Relevance for the North American Market Tanja Rauch-Williams, Carollo Engineers	State-Point Isn't Just for Design Adam Rogensues, Burns & McDonnell	Development of an Inclined Orientation UV System Permits Smaller Permits Smaller Footprints Richard Loeffler, Xylem, Inc.	
2:30	NETWORKING BREAK Exhibit Hall Columbine Ballroom						
3:00	Algal Bloom Monitoring and Response Special Session (continued from above)	Succession Planning Is A Key to Organizational Sustainability Richard Gersberger, TAP Resource Development Group, Inc.	Colorado Alternative Project Delivery (continued from above) Gary Bernard & Justin Rundel Honeywell, PE, CEH, Chevron Energy Services Mark J. Maxwell, Tetra Tech Justin Whittaker, J.R. Filiano Construction Company, Inc.	Increasing Digester Biogas Production with Anaerobic Membranes Timothy Rynders, CDM Smith	Start-up of an Anaerobic Hybrid Reactor System for Treatment of Domestic Wastewater Under Psychrophilic Conditions; Andrew R. Pfluger, School of Mines	Centrifugally Cast Concrete Pipe Josh McIntire, Ace Pipe Cleaning	
3:30		Best Financial Management Practices for Utilities of All Sizes Fletcher Davis, Bartle Wells Associates		Evaluating Biochemical Methane Potential of Expired Beer as Co-digestion Feedstock to Boost Gas Production Asma Hanif, CSU	Operating for Filament Control Ron Schuyler, COWAC	Shifting the Energy Balance: Carbon Diversion Using Biologically Enhanced Primary Treatment Nathan Antonneau, Evoqua	
4:00				Got Gas? Use it for Vehicle Fuel under EPA's Updated Renewable Fuel Standard John Willis, Brown & Caldwell	Our Best Year Ever! – the Story Behind Boulder WWTF's Slow, Steady Progress; Chris Douville, City of Boulder	Pilot Study - Denitrification Filtration at Extremely Low Temps Using Supplemental Carbon Matt Schomaker, Xylem, Inc.	
4:30 - beyond	CONFERENCE DINNER 5:30 to 10:30 PM Colorado Rockies Balroom						

Wednesday, September 14, 2016							
Registration/Breakfasts	REGISTRATION 7:00 AM - 5:00 PM Location: Longs Peak Foyer				UTILITY COUNCIL BREAKFAST 7:00 AM Castle Peak 1 & 2	JOINT NEW MEMBERS MEET & GREET 7:00 AM CONTINENTAL BREAKFAST Castle Peak 3 & 4	
Room	Torreys Peak I Moderator: Phil Brandhuber, HDR	Torreys Peak II Moderator: Brian O'Malley, Metro Wastewater	Torreys Peak III Moderator: Jamie Langer, Parker W&SD	Torreys Peak IV Moderator: Clare Haas Claveau, CHC Concepts	Crestone Peak I Moderator: Ben Johnson, Tetra Tech	Crestone Peak II Moderator: Kevin Feeley, Metro Wastewater	
Session	Session 25: Water Reuse Special Session	Session 26: Health and Safety Special Session	Session 27: Management Potpourri	Session 28: SOPs Special Session	Session 29: Water Supply and Residuals	Session 30: Instrumentation and Control	
8:30	Indirect Potable Reuse in Colorado: Successful Story of the Prairie Waters Project Joe Stibrich & Al Smith, Aurora		Balancing Competing Interests, While Striving to Provide the Best Value Projects Within a Water Utility Brian Rowbotham & Jarod Limke, HDR		Feasibility of ASR in the South Metro Denver Region Mark McCluskey, CDM Smith David K. Smith	Build a Better Alarm Management System Chris Young & Bill Wendt, Metro Wastewater Reclamation District Umesh K. Chitnis, ABB Inc.	EXHIBIT HALL OPEN 10:00 AM to 1 PM Columbine Ballroom
9:00	Long-term planning for the option for direct potable reuse in Colorado Mark Marlowe, Castle Rock	Developing an Effective Environmental Health and Safety System Brian O'Malley, MWRD John Saturley, City of Englewood	Evaluating Alternate Water Sources in a Time of Drought in Southern NM – Lower Rio Grande Public Water Works Authority Surface Water and Brackish Groundwater Treatment Evaluation Robert Fowle, CDM Smith	Standard Operating Procedures - Who, What, Where and Why Clare Haas Claveau, CHC Concepts, LLC Jackie Whelan, RCAP Greg Farmer, Littleton/Englewood WWTP	The Benefits of Horizontal Directionally Drilled Alluvial Well Lateral Arms in Castle Rock Jordan Dimick, Leonard Rice Engineers; Heather Justus, Town of Castle Rock	Digital Technology, Process Automation and the Internet of Things Steven Smith, Endress+Hauser	
9:30	Treatment options for potable reuse – How ozone biological filtration may be a low cost alternative to RO, Allegra Da Silva, MWH		The Role of Integrated Partnership in Plant Startup. Discussion of the Startup at the Dodd Water Treatment Plant Bethany Yaffe, Jason Schaefer, Ed Baile, Jason Whitmore		Sand is the Solution - Improving WTP Residuals Drying Solids by 3 fold in the Same Footprint Nathan Evenson & Vinnie Hart, Carollo Engineers	Industrial Control Systems (ICS) Technology - Present and Future Randy Ashburn, Browns Hill Engineering	
10:00	Optimizing Reuse for Water Supply: Non-Potable, Potable, or Exchange? Bill Schneider & Rick Carpenter, City of Santa Fe; John Rehning & Andrew Salvesson, Carollo Engineers		How the Town of Gilcrest is Addressing Damages from High Groundwater in the South Platte Watershed Michael Katalinich, JVA		What is the Preferred Residuals Dewatering/Handling Alternative for the Fort Collins Water Treatment Facility? David Oerke, CH2M	Conducting Instrument Evaluations Relative to P04 Innovations David Hudgins & Melanie Verke, MWRD	
10:30	NETWORKING BREAK Exhibit Hall Columbine Ballroom						
11:00	NO TECHNICAL SESSIONS --- EXHIBIT HALL OPEN Columbine Ballroom						EXHIBIT HALL OPEN 10:00 AM to 1 PM Columbine Ballroom
11:30							
12:00	Light Lunch in Exhibit Hall 12:00 PM to 1:00 PM Exhibit Hall - Columbine Ballroom						
Room	Torreys Peak I Moderators: J. Assouline(CH2M)/A. da Silva (MWH)	Torreys Peak II Moderator: Kaitlyn Minich/Barry Cress, State of Colorado	Torreys Peak III Moderator: Sherry Scaggiari, Aurora Water	Torreys Peak IV Moderator: Stephanie Elliott, Stantec	Thank you to our 2016 Conference Gold Sponsors!		
Session	Session 31: Water Reuse Special Session (continued)	Session 32: Safety/Security, Training, & Revolving Funds	Session 33: Management Potpourri	Session 34: Facility Design			
1:00	The Regulatory Context for Non-potable Water Reuse in CO; Nicole Rowan - Colorado Water Quality Control Division	Biosolids Certification - Where Are We Now? Jim Medlock, City of Boulder	Setting the Table – The Evolution of a Multiagency Tabletop Exercise Blair Conring & Kipp Scott, South Adams County WSD	Revit-up Project Design and 3D Modeling Julie Koehler, City of Westminster Emily Huth, Burns & McDonnell Jason Schaefer, P.E., Burns & McDonnell	   		
1:30	Regulatory Context of Potable Reuse in CO; Ron Falco - Safe Drinking Water Program Manager, CDPHE	Success stories from WARN organizations- Would your neighbors help you in an emergency? Lisa Barbato, Springs Utilities Diane Monahan, City of Gillette Melanie Goetz, Hughes and Stuart	Water loss control – What's new in 2016? Jeff Oxenford, RCAP	To 3D or not to 3D... Jared Cloud, Tetra Tech			
2:00	How Wastewater Discharge Standards & Other Drivers Are Increasing Interest in Water Reuse; Tara Kelley, Colorado Springs Utilities/Tim Grotheer, Centennial Water and Sanitation District		Evolution of Water Operations Staffing Travis Scurlock, Parker WSD	The 4th Dimension: Building Your Plant Virtually Tom Paul & Max Brant, Mortenson Construction			
2:30	NETWORKING BREAK Shavano Foyer						
3:00	Water Reuse in the Colorado State Water Plan, Laura Belanger, Western Resource Advocates Basin roundtable process, Eric Hecox, Colorado Water Conservation Board	Overcoming Challenges with SRF Funding Erick Worker, Water Quality Control Division at CDPHE Ross Kuhn, Colorado Water Resources and Power Development Authority Barry Cress, Colorado Division of Local Affairs	Water Infrastructure Needs YOU! Results from the 2015 EPA Drinking Water Infrastructure Needs Survey and the state of water infrastructure management in Colorado Mark Henderson, CDPHE	Engaging Elected Officials in Integrated Land Use Water Supply Planning Sean Chambers, Stonegate Village Metro District Mike Fink, City of Fountain	EXHIBIT HALL TEAR-DOWN 1 PM to 4 PM		
3:30	Overview of Potable Reuse in Colorado John Rehning, Carollo						
4:00	Panel discussion with audience (starts at 3:45)						
4:30 - beyond	Conference Planning Committee De-Brief and Social Hour 4:30 to 5:30 PM Longs Peak Foyer
