

45<sup>th</sup>  
ANNIVERSARY

The National MPS Society exists to cure, support, and advocate for MPS and ML. Their mission serves individuals, families, and friends affected by Mucopolysaccharidoses and Mucopolipidosis through supporting research, supporting families, and increasing public and professional awareness. The Society advocates nationwide for critical legislation that will impact our rare disease community. For more information on MPS and ML, please visit [www.mpssociety.org](http://www.mpssociety.org).
