

Student Board Members' Workshop

Tuesday 13 August 2019

College Development Network, Airthrey Castle, University of Stirling, Stirling,
FK9 4LA

Programme

- 1000 **Registration**
- 1030 **Welcome and Introductions**
- 1045 **What is Governance for?**
In this session, delegates will understand what governance is and why it is important and consider what high level tasks Boards of Management undertake.
- 1130 **Break**
- 1145 **How Should Board Members Behave?**
Board members are expected to behave in particular ways. In this session we'll look at some of those behaviours, the principles behind them, and ensure that they are well understood.
- 1300 **Lunch**
- 1345 **How Does a Board Work in Practice?**
In this session we'll look at who sits on a Board of Management, the skills a board requires and look at some of the difficulties involved in being a student board member specifically.
- 1500 **Break**
- 1515 **Quiz and Wrapping Up**
In this session we'll consolidate the knowledge from the rest of the day, check learning, and sign post where further support is available.
- 1600 **Close**
