6 on 6

- Support
 - Where from?
 - Health Navigator Services
 - Ease of Access
 - Barriers (transportation, hours, residency)
 - Stigma
 - Location
 - Linkage to and retention in care

HIV and Ageing

GIPA

- Greater Involvement of People Living with HIV/AIDS (UN 94, rev 2007)
- GIPA seeks to ensure that people living with HIV are equal partners and breaks down simplistic and false assumptions that those living without HIV are “service providers” and as those living with HIV are “service receivers”.
