*NOTE: Not all listed sponsor levels are available at all conferences.*

Thank you for considering TVPPA conferences! We're pleased to provide you information on all our sponsor levels available and look forward to having you and your staff at an upcoming event.

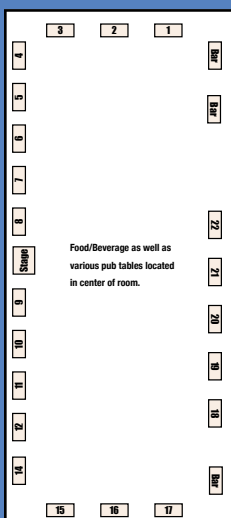

Each sponsor level, listed at left, has a particular set of benefits to it. For current pricing on each level, please visit the appropriate conference page at [www.tvppa.com](http://www.tvppa.com). Availability is limited and shows do routinely sell out -- please don't hesitate to register as soon as possible.

TVPPA prides itself in the balance we take to sponsorships. We view it as essential to providing the conferences we do and, as well, realize the balance of providing an exceptional event for our attendees as well as a successful and enjoyable event for sponsors.

For more events, we provide optimum face-time by hosting all food-related activities within the exhibit hall. That includes morning breakfasts, refreshment breaks and receptions.

Take a look at each sponsor level and come join us at a TVPPA conference this year! For any questions, please don't hesitate to call Tim Daugherty at (423) 490-7930 or email [TDaugherty@tvppa.com](mailto:TDaugherty@tvppa.com)
