Belgian Society of Cardiology

Putting a finger on the pulse of tomorrow’s cardiology practice

PROGRAMME

BRUSSELS
28-29 JANUARY 2016

SQUARE
Mont des Arts
B-1000 Brussels
Dear Colleagues and Friends,

It is my great pleasure as president of the BSC to welcome you to the 35th Annual Congress of the Belgian Society of Cardiology.

Our annual meeting once again will offer the Belgian cardiology community the opportunity to gather together in central Brussels for two days of intensive education and networking. Experts in various fields will contribute to a rich and varied program.

This year, the BSC scientific board has decided to innovate with the congress format and introduce new initiatives to meet the expectations of its members. The following overview presents the main points of the 35th edition:

- The work of the BSC working groups will be highlighted with sessions dedicated to each speciality.

- Oral presentation of abstracts will be included in the working group sessions, giving the opportunity to researchers to present their scientific work to a larger audience.

- The ESC-BSC joint session will elucidate the new guidelines on Acute Coronary Syndromes NSTE and Ventricular Arrhythmias & Sudden Cardiac Death.

- Socio-economical sessions are included; these will discuss the future direction of cardiology not only from a scientific point of view but also in the relation with health authorities.

- The Young Investigator Award, Bernheim and Dumont Prizes laureate lectures will allow researchers to present their work. Moreover, the Awards Ceremony will be held during the ESC-BSC joint session, offering more visibility to the recipients of these awards.

- “Industry-supported satellite symposia” will give the floor to high-level international speakers presenting topics such as lipid lowering therapy, heart failure, management of cardiovascular risk.

- A final session, highlighting the key messages for delegates to take away, will conclude the 35th congress.

We have designed this congress to provide a comprehensive overview of the entire field of cardiology. We hope it will be a source of new scientific and educational energy for all participants to continue investing in the care of patients with cardiovascular problems, still the number one killer in the Western world.

With enthusiastic and kind regards,

Prof. Agnès Pasquet, MD, PhD
President of the Belgian Society of Cardiology

**PROGRAMME**

**THURSDAY 28 JANUARY 2016**

**COPPER HALL**

08:00 - 09:00  Registration & Welcome Coffee

09:00 - 10:30  **Parallel session 1: A practical approach to Heart Failure**  
Session by Belgian Working Group on Heart failure

Moderators:  
Pierre Troisfontaines - Liège, BE  
Walter Droogné - Leuven, BE

**How to organize multi-disciplinary heart failure care?**  
David Raes - Antwerp, BE

**Heart failure; novel therapies on the horizon!**  
Matthias Dupont - Genk, BE

**How to decongest?**  
Wilfried Mullens - Genk, BE

Best Abstract presentation:  
**Evolution of functional mitral regurgitation in heart failure patients with reduced ejection fraction and its prognostic implications**  
Lauranne Van Assche - Antwerp, BE

10:30 - 11:00  Coffee Break

11:00 - 11:45  **Plenary session 3: Putting a finger on the pulse of tomorrow’s cardiology practice**  
Keynote session

**Putting a finger on the pulse of tomorrow’s cardiology practice**

Moderators:  
Agnès Pasquet - Brussels, BE  
Marc Claeyes - Antwerp, BE

**eHealth and the cardiologist**  
Frank Robben - Brussels, BE

**The BSC vision for the future of cardiology**  
Agnès Pasquet - Brussels, BE

**SILVER HALL**

09:00 - 10:30  **Parallel session 2: PCSK9 inhibition: an important new therapeutic option for high risk patients with hypercholesterolemia**  
Satellite Symposium by Amgen

Moderators:  
Catherine De Maeyer - Kalmthout, BE  
Benedicte Heyndrickx - Brussels, BE

**LDL-C hypothesis or LDL-C principle:**  
**the lower the better**  
Ernst Rietzschel - Ghent, BE

**Familial hypercholesterolemia: need for better screening, diagnosis and management**  
Olivier Descamps - Jolimont, BE

**PCSK9 inhibition: the road to effective management of high-risk patients**  
Erick Stroes - Amsterdam, NL
Parallel session 4: Exercise, nutrition and cardiac rehabilitation: a never-ending story
Session by Belgian Working Group on Cardiovascular and Rehabilitation
Moderators:
Catherine De Maeyer - Kalmthout, BE
Hubert Dereppe - Tournai, BE

The EACPR EXPERT flowchart: an interactive digital tool that assists rehabilitation specialists in the prescription of training modalities
Dominique Hanssen - Hasselt, BE

Cardiovascular disease and nutrition: current situation
Christophe Matthys - Leuven, BE

Syncope during sport activities
Hein Heidbüchel - Hasselt, BE

Best Abstract Presentation:
Secondary prevention in CHD patients in Belgium: long-term Time trends based on the EUROASPIRE surveys
Delphine De Smedt - Ghent, BE

13:15 - 14:00 Lunch

Parallel session 6: Atrial fibrillation and stroke risk management
Working Group Session by Belgian Heart Rhythm Association
Moderators:
Ivan Blankoff - Charleroi, BE
Yves Vandekerckhove - Bruges, BE

Acute stroke prevention and long-term neuroprotection in the ablated patient
Mattias Duytschaever - Bruges, BE

Best Abstract Presentation:
Atrial fibrillation and long term risk for progression of mitral/tricuspid valve regurgitation
Carl Van Paeschen - Antwerp, BE

Atrial fibrillation: risk factor or risk marker
John Camm - London, UK

Parallel session 5: Long-term management of CV risk with OAP patients after an Acute Coronary Syndrome - Where do we go from here?
Satellite Symposium by AstraZeneca
Moderators:
Walter Desmet - Leuven, BE
Suzanne Pourbaix - Verlaine, BE

The one-year treatment duration: where are we now?
Christophe Beauloye - Brussels, BE

Is there an interest to treat the ACS patient after 1 year?
Marco Valgimigli - Bern, CH

14:00 - 15:30 Parallel session 7: Acute cardiac care in the pre-hospital setting
Working Group Session by Belgian Interdisciplinary Working Group on Acute Cardiology
Moderators:
Christophe Beauloye - Brussels, BE and Patrick Coussement - Bruges, BE

Pre-hospital medical management of STEMI: change of mind?
Peter Sinnaeve - Leuven, BE

Urgent angiography and revascularisation for every cardiac arrest?
Christian Spaulding - Paris, FR

Mechanical support and ECMO during CPR: myth or reality?
Olivier Van Caenegem - Brussels, BE

Best Abstract Presentation:
Gene expression patterns indentifying the inflammatory response in patients with acute coronary syndrome: a prospective cohort study
Maarten Vanhaverbeke - Leuven, BE
Parallel session 8: Caring for the adult with congenital heart disease
Session by Belgian Working Group on Adult Congenital Heart Disease

Moderators:
Julie De Backer - Ghent, BE
Antoine Bondue - Brussels, BE

Transitioning from pediatric cardiology - mind the gap!
Eva Goossens - Leuven, BE

Non-Cardiac surgery in ACHD patients - do’s and don’ts
Stefaan Bouchez - Ghent, BE

Managing end-stage Heart Failure in ACHD patients - what are the options?
Asif Hasan - Newcastle upon Tyne, UK

Best Abstract Presentation:
Right Ventricular Structural and Functional Remodelling after Transcatheter Pulmonary Valve Implantation: Time matters
Efstathios Pagourelias - Leuven, BE

Parallel session 9: New perspectives in HF Management
Satellite Symposium by St. Jude Medical

Moderators:
Wilfried Mullens - Genk, BE
Pierre Troisfontaines - Liège, BE

HF care, present and future
Wilfried Mullens - Genk, BE

State-of-the-Art in CRT: MultiPoint pacing
Christophe Leclercq - Rennes, FR

A new era in HF management: Remote hemodynamic monitoring
Birgit Assmus - Frankfurt, DE

Prosthetic heart valves and Heart Failure
Bernard Cosyns - Brussels, BE
PROGRAMME
FRIDAY 29 JANUARY 2016

COPPER HALL

08:00 - 09:00  Registration & Welcome Coffee

09:00 - 11:00  Parallel session 10: DAPT: How soon? How long? Combined with anticoagulation?
   Session by Belgian Working Group on Interventional Cardiology
   Moderators:
   Claude Hanet - Namur, BE
   Luc Janssens - Yvoir, BE
   Marco Valgimigli - Bern, CH
   Walter Desmet - Leuven, BE
   Adel Aminian - Charleroi, BE
   Validation of the hybrid techniques for the percutaneous treatment of coronary Chronic Total Occlusions: the RECHARGE registry
   Joren Maeremans - Universiteit Hasselt, BE

10:30 - 11:00  Coffee Break / BSC & Acta Cardiologica General Assembly

11:00 - 11:45  Parallel session 12: YIA Abstracts Presentations
   Moderators and jury
   Peter Geelen - Aalst, BE
   Guy Van Camp - Aalst, BE
   Patrizio Lancellotti - Liège, BE
   Three best abstracts presentations:
   Platelet Endothelial Aggregation Receptor 1: a novel modifier of neo-angiogenesis
   Vandenbriele Christophe - Leuven, BE
   Targeting of Vascular Cell Adhesion Molecule-1 by 18F-labeled nanobodies for PET/CT imaging of inflamed atherosclerotic plaques
   Gezim Bala - Brussels, BE
   Osteoglycin prevents cardiac dilatation and dysfunction after myocardial infarction through infarct collagen strengthening
   Lucas Van Aelst - Leuven, BE

SILVER HALL

09:00 - 10:30  Parallel session 11: The future of Cardiology
   Working Group Session by Young Cardiologist Club
   Moderators:
   Steven Droogmans - Brussels, BE
   Stéphanie Seldrum - Namur, BE
   Werner Budts - Leuven, BE
   Genetics in cardiology: what can we expect?
   Pieter Koopman - Hasselt, BE
   Long-term outcome of atrial fibrillation ablation in 1000 patients
   Yves De Greef - Antwerp, BE

11:00 - 11:45  Parallel session 13: Laureate lectures Léon Dumont and Jacqueline Bernheim prizes
   Moderators:
   Agnès Pasquet - Brussels, BE
   Marc Claeyys - Antwerp, BE
   Jacqueline Bernheim Prize laureate
   Lucas Van Aelst - Leuven, BE
   Matricellular proteins and microRNAs: modulators and markers of cardiac inflammation and fibrosis
   Doctor Léon Dumont Prize laureate
   Bernhard Gerber - Brussels, BE
   Pathophysiology of Development and Impact of Myocardial Fibrosis detected by Cardiac MRI in Valvular and Myocardial disease
PROGRAMME
FRIDAY 29 JANUARY 2016

COPPER HALL

11:45 - 13:15  Parallel session 14: ESC-BSC New Guidelines + Awards Ceremony
ESC-BSC joint session + Presentation of the
Léon Dumont, Jaqueline Bernheim, Best Poster and Young
Investigator prizes

Moderators:
Agnès Pasquet - Brussels, BE
Marc Claeys - Antwerp, BE

Acute Coronary Syndromes NSTE
Marco Roffi - Geneva, CH

Ventricular Arrhythmias &
Sudden Cardiac Death
Silvia Priori - Pavia, IT

13:15 - 14:00  Lunch

14:00 - 15:30  Parallel session 16: Imaging left ventricular hypertrophy
Session by Belgian Working Group of
Non-Invasive Cardiac Imaging

Moderators:
Bernard Cosyns - Brussels, BE and Agnès Pasquet - Brussels, BE

Imaging left ventricular hypertrophy in hypertension
Frank Timmermans - Ghent, BE

Role of imaging in athletes with LV hypertrophy
Nico Van de Veire - Ghent, BE

Multimodality imaging of hypertrophic cardiomyopathy
Antonello D’andrea - Italy

Multimodality imaging in cardiac amyloidosis
Bernhard Gerber - Brussels, BE

Best Abstract Presentation: Patient-specific numerical modelling of
the mitral valve apparatus using 3-dimensional echocardiography
Philippe B. Bertrand - Genk, BE

SILVER HALL

11:45 - 13:15  Parallel session 15: Heart failure keeps resulting in bad prognosis
and high treatment costs: is there hope on the horizon?
Satellite Symposium by Servier

Moderators:
Wilfried Mullens - Genk, BE
Anne-Catherine Pouleur - Brussels, BE

How can we avoid hospitalization and rehospitalization of
heart failure patients?
Pierre Troisfontaines - Liège, BE

Cardiac function and hospitalization in heart failure
Christoph Maack - Homburg/Saar, DE

Heart rate reduction to improve cardiac rehabilitation in
heart failure patients
Philippe Meurin - Villeneuve-Saint-Denis, FR

14:00 - 15:30  Parallel session 17: The dawn of a new era in
LDL-C lowering therapy
Satellite Symposium by Sanofi

Moderators:
Marc Claeys - Antwerp, BE
Olivier Descamps - La Louvière, BE

Prevalence and management of potential FH in coronary patients:
results from the EuroAspire IV survey
Guy De Backer - Ghent, BE

New options for patients with FH
Michel Farnier - Dijon, FR

No mercy for LDL-C: time for zero tolerance
Peter Sinnaeve - Leuven, BE
Closing session 18: Take-home messages from the BSC Working Groups

What you should remember from this congress for your daily practice

BWG on Interventional Cardiology (BWGIC)
Walter Desmet - Leuven, BE

Belgian Heart Rhythm Association (BeHRA)
Yves Vandekerckhove - Bruges, BE

BWG on Non-invasive Cardiac Imaging (BWGNICI)
Bernard Cosyns - Brussels, BE

BWG on Heart Failure and Cardiac Function (BWGHFCF)
Walter Droogné - Leuven, BE

BWG on Cardiovascular Prevention and Rehabilitation (BWGCPR)
Catherine De Maeyer - Kalmthout, BE

Belgian Interdisciplinary Working Group on Acute Cardiology (BIWAC)
Christophe Beauloye, Brussels, BE

BWG on Adult Congenital Heart Disease (BWGACHD)
Julie De Backer - Ghent, BE

Young Cardiologists Club (YCC)
Steven Droogmans - Brussels, BE

Programme
Friday 29 January 2016
Copper Hall

15:30 - 16:00
Coffee Break

16:00 - 18:00
Closing session 18: Take-home messages from the BSC Working Groups

FOR ARRYTHMIAS

First Belgian experience with endoscopic laser balloon ablation system for pulmonary vein isolation
Pieter Koopman - Hasselt, BE

Evolution over time of antithrombotic therapies in Belgium in patients with newly diagnosed atrial fibrillation: data from the GARFIELD-AF registry
Frank Cools - Antwerp, BE

FOR INVASIVE

Percutaneous mitral valve repair in patients at high surgical risk: 1-year results from the prospective Belgian MitraClip Registry (MITRABEL)
Philippe B. Bertrand - Genk, BE

The IOCVA method: a solution for placement of transvenous leads across total chronic occlusions
Jimmy Jacobs - Hoboken, BE

FOR NON-INVASIVE

Rest and exercise hemodynamics in relation to symptomatic status after MitraClip therapy for functional mitral regurgitation
Caroline Van De Heyning - Antwerpen, BE

How long does the gender gap in coronary artery disease in women persist?
Results from the Monica-Bellux registry
Bernhard Gerber - Brussels, BE

FOR HEART FAILURE

Prognostic significance of improvement in right ventricular systolic function during cardiac resynchronization therapy
Frederik Helsen - Leuven, BE

Prognosis of heart failure: the added value of 1,25-dihydroxyvitamin D to PTH(1-84) ratios
Damien Gruson - Brussels, BE

Response and Tolerance to Oral Vasodilator Uptitration after Intravenous Vasodilator Therapy in Advanced Decompensated Heart Failure
Frederik Verbrugge - Heusden Zolder, BE
EXHIBITORS
Participants are cordially invited to visit the following stands (numbers below) in the Exhibition Foyers (Silver-Magritte-Delvaux)

Actelion 20  GE Healthcare 21
Amgen 9  Gomedis 29
Arseus 14  Journal de la Cardiologie/Tijdschrift voor Cardiologie 27
AstraZeneca 11  Meda Pharma 24
Bayer 10  Medtronic 2
Belgian Society of Cardiology 30  MSD 8
Biotronik 18  Novartis Pharma S.A 25
Boehringer Ingelheim 6  Philips 1
Cardionics 15  Roche 13
Daichi Sankyo Belgium S.A/N.V 3  Sanofi 7
Edwards Lifesciences BVBA 22  Servier Benelux S.A./N.V 12
Eurogenerics 17  St Jude Medical Belgium 5
Esaote Benelux 16  Therabel Pharma S.A 26
Fonds voor Hartchirurgie 28  Vifor Pharma België 19 & 23

PRACTICAL INFORMATION

VENUE
SQUARE: BRUSSELS MEETING CENTRE
Glass Entrance, Parc du Mont des Arts
B-1000 Brussels
Tel.: +32 2 515 13 00

ACCESS
By tube  SQUARE is accessible using the tube lines 1 & 5, stop Central Station
By rail  Bruxelles-Central / Brussel-Central, exit signs to ‘Mont des Arts - SQUARE’
By bus  Square is accessible using the bus lines 29 - 38 - 63 - 65 - 66 - 71 - 86, stop Central Station
By tram  Square is accessible using the tram lines 92 - 93, stop Place Royale
By air  Brussels International Airport (Zaventem). You can reach the venue by rail (get off at the Brussels Central station) or by taxi
By road  There is a large parking right underneath Square named Parking Albertine / Albertina. To access the BSC congress, please park at level -3 and take the SQUARE lifts up to level 0 (halls & exhibition level). You can get in via Place de la Justice – Gerechtsplein, 16 at 1000 Brussels, and then walk straight into the building.

WiFi: square–guest
Login: bsc
Password: bsc16!

WELCOME & REGISTRATION
Badges can be collected at the registration desk (level 0) from 8:00 each morning. You have to wear your badge at all times whilst on the SQUARE’s premises.

ACCREDITATION
Delegates are invited to register for accreditation at the designated accreditation desk which will be located into the Delvaux Foyer. Opening hours: 13:15 to 16:00 on both congress days.

Kindly printed by Sanofi
