SCOTTSDALE, AZ 2017

Are You a Winner?
Use your conference coin to scratch
here and find out!

Visit booths to collect more cards and increase your chances of winning.

Exhibitors: Offer raffle entries or instant-win prizes at your booth.

You supply and give away the prize(s), and we do the rest!

- * You choose the value and number of prizes you want to give away
- * We include your participation in our marketing
- * Cards are given to attendees when they check in at registration
- * Attendees use the conference coin to scratch off and reveal the booth to claim their prize
- * They fill in their contact information on the back and give it to you
- * You collect the leads and give out the instant-win prizes or draw the raffle winner

To give you some ideas, past raffle prizes included: iPod Touch, Video Monitoring Camera, iPad Mini, Kindle WiFi, Nike FuelBand, GoPro Hero, Golf Driver, FitBit, Vermont Teddy Bear, Thermal Camera; and instant prizes included: Fleece Vest, Travel Blanket, Cycling Water Bottles, VISA Gift Cards, Beach Chair, Mobile Charger Gift Sets, and more.

Are you looking to showcase a new product or service or increase brand recognition?

Consider one of our high profile sponsorship opportunities like:

- Your logo on the Conference bag, lanyard or badge holder
- Commemorative Conference coins with your logo - all attendees will use them to scratch-off their winning tickets (see above)
- Conference bag inserts and more!

NEW THIS YEAR: Expo Reception and Break Sponsorships

Help bring more attendees to the exhibit hall during the Monday Afternoon Reception and scheduled breaks in the Technical Sessions and Certification Seminars on Monday and Tuesday. This will allow us to provide refreshments in the exhibit hall during these times, and sponsors will be recognized on signage and have the opportunity to place promotional materials on the food and drink tables. Please contact us if you are interested -- the more sponsors we have, the better we can make the experience in the exhibit hall for your prospective customers!
