NSW RURAL HEALTH AND
RESEARCH CONGRESS

2016

SPONSORSHIP PROSPECTUS

The Health Education and Training Institute (HETI), Australian Rural Health Research Collaboration, Northern NSW Local Health District and our Congress partners are proud to present the fifth NSW Rural Health and Research Congress to be held in Tweed Heads 9-11 November.

The Congress, held each year in a rural NSW location, aims to provide an opportunity for health staff and researchers to attend a high quality forum designed to bring together the latest information on rural health.

Delegates come from a wide range of backgrounds including nursing, medical, allied health, research, ambulance, academia, administration and the private health sector.

Last year's Congress in Armidale proved to be a great success with delegates enjoying a diverse and stimulating three day program.

A choice of sponsorship and trade display opportunities are now available. They provide your organisation with the opportunity to reach, in one location, a wide range of health professionals and researchers from across rural and remote NSW.

Please feel free to call myself on 02 6369 8581 or Jodie Pryor on 02 4267 2225 if any further information would be helpful.

We hope to see you in Tweed Heads this spring.
