Regional Conference Sponsorship Confirmation Sebel Harbourside Kiama 2017

Parks and Leisure Australia is the peak industry association for professionals working in the Parks and Leisure sector in Australia, representing over 2500 members. Through a broad range of services we support members to provide opportunities that strengthen communities through good use of leisure time for the social, environmental, economic and physical wellbeing of all Australians.

Underpinning everything we do is the understanding that leisure is a basic human right and one that impacts the quality of life for all Australians.
