Australian Aviation Wildlife Hazard Group Forum 2018

The Australian Aviation Wildlife Hazard Group (AAWHG) Forum is an annual event which attracts delegates involved in wildlife hazard management from both airports and industry.

The two day event aims to discuss issues and challenges that the aviation industry face on a day to day basis including recommended practices, training programs, strike statistic updates and various case studies.

We would like to invite you to the bi annual AAWHG Forum at Pullman Reef Casino Hotel, Cairns, on 2nd and 3rd of August.

The two day Forum will aim to address wildlife hazard management issues and challenges facing the Australian aviation industry.

The Forum will provide delegates access to case studies on best practice experiences and the latest research and trials so that attendees are equipped with the knowledge they need when they return to their organisations.

This event is part of the continuing efforts of the AAWHG to promote awareness of aviation wildlife strikes within the industry and to bring together both government and industry to support a national approach to this important aviation safety issue.

The forum will provide an overview for these less experienced in the industry, as well as educating those with experience, about the latest technology and products available.

Due to the nature and context of this specialised event, a niche market of airport operators and operations personnel, as well as airline representatives, pilots, tower personnel and researchers will be in attendance.

Sponsorship is a way to show support for the industry, as well as obtaining important relationships with key stakeholders in many different areas of the market.

There are many different sponsorship opportunities available. Sponsorship Packages are listed on the following pages.

Should you wish to discuss these packages in more detail, or have any queries, please do not hesitate to contact our Forum Secretariat, Rachel Washington, rachel@meccaconcepts.com.au or 0412 996 711.

We are happy to work with you to ensure that we create a beneficial relationship for both parties.

We look forward to partnering with you on this exciting event.

Kindest regards,
Aaron Pond
Chair, AAWHG
