

Pardon the Disruption – Outmobilizing Your Competition

Jay Myer
Vice President, Sales
Catavolt

In the business world today – speed and disruption wins

Business as usual

New model, new rules

If it ain't broke, break it

- **Examine the way that you are doing business today**
 - Where can you add velocity?
 - Where can you add transparency?
 - How can you move decision making closer to the point of commerce?
- **What is slowing you down?**
 - Access to legacy data
 - Silos of information
 - Fear of data security breaches

What can I do to help my company become a disruptive game changer?

- **Mobilize** /Mo-bil-eyz/ - *verb* – To rapidly deploy a flexible and secure app at the point of business
 - Also see - Bury Your Competition

Let Catavolt turn you into a *Mobilizer*

- Fast and personalized for users
- Secure and manageable for IT
