**EAO Poster Presentation Session 2014**

The European Association for Osseointegration (EAO) is pleased to announce the new format of the Poster Presentation session as the **EAO Poster Presentation Session**.

Every selected presenter will be asked to present their poster in front of the audience within four minutes. When the allocated time is over, the next presenter will start right away. Each presenter will be allowed to present a maximum of five slides. The idea of this session is to provide a short, fun and dynamic presentation.

You can apply for participation by choosing the item “Poster Presentation” during the submission procedure. The application must be received no later than April 2\(^{nd}\), 2014. The participant of the Poster Presentation session has to be the first author of the submitted abstract.

**Selection of participants**

All submitted abstracts will be reviewed by at least five reviewers with special knowledge within the specific field. The reviewers will select the competitors for the EAO Poster Research Presentation Prize by focusing on innovativeness, originality, study design, methodological quality, data quality, as well as clinical and scientific significance of the study. Emphasis will also be put on adequate description of the study (Background, aim, materials and methods, results, and conclusions, including possible clinical implications).

The selected posters will be presented during the Poster Presentation Session scheduled on Thursday, September 25, 2014.

**Prize Awarding Committee**

The EAO Prize Awarding Committee will include four well-qualified researchers selected by the Chairman of the EAO Abstract Committee.

The final selection of the winner will be based on the following criteria:
- Ability to make a clear presentation within the allocated four minutes
- Innovativeness and originality of the study performed
**Prizes**

The prize will include 2,000 € and an EAO diploma. Poster presenters younger than 40 years old can apply for a travel grant when submitting their abstracts (For more information, see the abstract submission guidelines)

**Notification of acceptance or rejection of participation**

A notification e-mail about acceptance/rejection of participation will be sent to you in June 2014.
