

INS National Academy of Infusion Therapy
November 14-16, 2014 • Atlanta, GA

DOWNLOAD THE INS MOBILE APP

*Staying Connected at the INS Fall National Academy
Is Easier than Ever*

The INS Fall National Academy Mobile App will enhance attendee experiences—before, during, and after the conference. Download the INS Mobile App early to get acquainted with all the new and unique features available right at your fingertips!

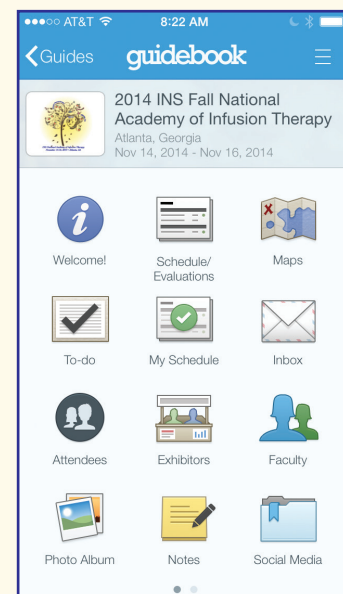

How to install the INS Fall National Academy Mobile App:

1. Download the **Guidebook App** from your device's app store.
 - Apple Devices – App Store
 - Android Devices – Google Play Store
 - Kindle Fire – Amazon App Store
 - Blackberry Playbook – BlackBerry World
2. Once installed, open **Guidebook**, tap **Download Guides**, and search by for **INS Fall National Academy**. Select our event, and it will download automatically within Guidebook, accessible anytime you click the Guidebook app.

INS Mobile App Features:

- View educational sessions.
- Download PowerPoint presentations.
- Create your own personal schedule.
- Take notes.
- View interactive maps.
- **Evaluate the speakers – NEW THIS YEAR!**
- Connect with colleagues with message features.
- Review faculty biographies.
- View the exhibitor directory.
- Upload photos to share with all attendees.
- Create a login, and your personal content will sync across devices (e.g., view the notes typed in your iPhone on your iPad).

Guidebook can be downloaded on all Android smartphones and tablets, iPhone, iPad, Blackberry 10, and Amazon Kindle. Guidebook is native to iOS, Android, and Blackberry 10 devices. If you download Guidebook using one of these devices, you can access the app without Internet access. The Mobile App will also be available on any smartphone or tablet that can connect to the Internet.
