**DR. MARCO BRINDIS**

Dr. Marco Brindis is the chairman of the Prosthodontics Department of Louisiana State University, where he also maintains an intramural restorative practice devoted to esthetics and implants with an interdisciplinary approach. He earned a D.D.S from the Universidad Intercontinental in Mexico City in 1998. He did a Preceptorship in Dental Implants at the Universidad Intercontinental in 1999 and a Preceptorship in Dental Implants at the Dental School at the UT Health Science Center in San Antonio in 2002. He completed a surgical Implant Fellowship at the Biotechnology Institute in Vitoria, Spain in 2003. He got his Certificate in Prosthodontics at LSU School of Dentistry in the Department of Prosthodontics in 2007. He then completed the Esthetic and Occlusion courses at the Pankey Institute in 2007. Dr. Brindis is very passionate in the field of interdisciplinary dentistry for full mouth reconstruction, esthetics and implant dentistry. He is involved in the development of new implant protocols to treat the edentulous patient. He has lectured in the United States, Mexico, Canada and Spain. He is a member of several organizations including the Academy of Osseointegration, American Dental Association, American College of Prosthodontist and the Pierre Fauchard Academy.

*Dr. Marco Brindis does not have any relevant financial interest in this course offering.*

ADA C.E.R.P® Continuing Education Recognition Program

AURUM CERAMIC / CLASSIC DENTAL / SPACE MAINTAINERS LABORATORIES is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Aurum Ceramic designates this activity for 4 hours of continuing education credits.
A NEW GENERATION OF THE HYBRID DENTURE
An effective, viable, hygienic solution for the edentulous patient.

Investment:
(6 CE Credits)

DENTIST - $395.00
TEAM MEMBER - $125.00

Please register online:
https://events.aurumgroup.com

This solution offers several advantages for patients, such as:
- Easy cleaning
- Optimal chewing function and sense of taste
- Desirable phonetic function and esthetic results

The prosthesis is fixed-detachable but still provides the comfort of a fixed restoration. In addition, it creates value for dental professionals by allowing for predictable and lasting implant treatment outcomes, resulting in enhanced quality of life for patients.

A full refund will apply to cancellations with 3 or more business days notice. Less than 3 working days, will result in no refund.

Please confirm prior to booking travel.

The Aurum Group provides services discussed in this course.
