UNITED STATES SENATOR

September 26, 2013

Dear Friends,

It is a privilege to send greetings to everyone attending the Inaugural SAG-AFTRA Convention.

After the merger of the Screen Actors Guild and the American Federation of Television and Radio Artists, all media professionals both on and off screen now enjoy the professional protections they deserve. I look forward to this organization's continued advocacy to safeguard and advance important issues on behalf of 165,000 actors, announcers, broadcasters, journalists, dancers, DJs, news writers, news editors, program hosts, puppeteers, recording artists, singers, stunt performers and voiceover artists. It is my hope that your efforts serve as an example of the positive contributions individuals can make to the artistic community.

Please accept my best wishes for a wonderful event and many more years of continued success.

Sincerely,

A handwritten signature in blue ink that reads "Kirsten E. Gillibrand".
