1330 **CNO Widening Participation Workshops**

Delegates should consider which one of the three workshops they are able to contribute most meaningfully to and come prepared to share their ideas and considerations.

At the end of the day we aim to have identified key areas of development work which a 'Forum for Action' will take forward over the coming months.

Each workshop will hear from key speakers and the Chair will facilitate the discussion to identify two or three issues, challenges or gaps to inform future action.

1500 **Feedback Session** (with coffee)

The Workshop Chairs will feedback 2-3 key challenges for the Forum for Action focus.

1530 **Forum for Action Launch**

Delegates will be invited to agree their involvement/participation in the Forum and the first meeting date will be agreed.

1600 **Close**
