

Find out how you can be productive with Windows 10 devices and Microsoft Office!

If your organization has moved to modern Windows 10 devices, you should talk Tablet PC about training.

Tablet PCs unique workshops will help you to:

- Manage your meetings efficiently.
- Reduce distraction.
- Eliminate double handling and wasted time!

This can only be achieved by moving beyond the mouse and keyboard...

Tablet PC have been helping people and organisations transition away from pen and paper to *Digital Pen and Computer*, moving beyond the Keyboard and Mouse and gaining productivity.

We'll have your people successfully *using their devices in new ways that they absolutely love!*

"I can't talk highly enough of the value of the training. There is no way to gain the value and the productivity that this device gives you without attending the training." - Sharon Colliccoat, **Telstra**

Visit us at our trade booth at the IAG Conference and talk to us about your Microsoft Surface, Windows Device and Office 365 training needs!
