

Johnstone Supply Trade Show Door Prize Form

Offering door prizes bring more people to your booth! Collect the business cards of attendees throughout the trade show. At the end of each day you will draw a name from the collected cards and a Johnstone Employee will come collect the winning card from your booth. A Johnstone Corporate employee will make the prize announcement each day of the show.

We will **NOT** collect names or prizes on your behalf. Once names are chosen you will mail the prize to the recipient. The sooner we know your prize(s) the more we can advertise it – let us know today!
