The Managing Director of Esri Australia, Brett Bundock announced as plenary speaker at **Locate14** Conference on Tuesday 8 April at the National Convention Centre in Canberra.

Locate14 Conference and Exhibition combines three previous national events – the *spatial@gov* Conference, the Surveying & Spatial Sciences Conference (SSSC) and the Asia- Pacific Spatial Excellence Awards (APSEA) combining to form a single premier Australian and New Zealand industry event.

Brett Bundock, Managing Director at Esri Australia, is considered a market visionary and GIS expert. Brett's passion for spatial science has seen him build a career spanning more than three decades and four continents. As Managing Director of Esri Australia; Esri South East Asia; Esri Indonesia; Esri Malaysia and MapData Services, Brett is regarded as one of the Asia Pacific region's most influential contributors to the spatial industry. An avid supporter of various spatial industry associations and the broader Esri user community, Brett has recently completed servicing two consecutive three-year terms as a Director on the Board of the Spatial Industries Business Association (SIBA).
