Florida Association of Accountable Care Organizations

The Florida Association of ACOs (FLAACOS) is a community of Accountable Care Organizations within Florida that come together regularly to share ideas and best practices.

Our goal with this community is to help member ACO's build and manage successful organizations in order to fully benefit from the changing payment models.

FLAACOS is the preeminent professional organization for forward looking healthcare leaders in Florida. Armed with a strategic business plan that is aligned with the organization's mission to assist and support Florida Accountable Care Organizations as well as other value based models.

The FLAACOS multi-tiered Corporate Sponsorship Program partners businesses with the healthcare leaders that are tasked with making vital, daily purchasing decisions that affect the success of the goals of an ACO to drive medical cost down while keeping quality high.

The Corporate Sponsorship Program affords our business colleagues unparalleled opportunities to build a greater awareness of their products and services with the key decision makers, Florida ACOs.

Maximize Your Marketing Dollars

Raise your profile with physicians and network with healthcare leaders. FLAACOS corporate membership is an effective way for your company to engage with Florida ACOs, gain visibility and build brand awareness.
