

# CEU INFORMATION

The 2013 Energy Efficiency Expo offers multiple pathways for professionals to receive Continuing Education Units (CEUs) that support various accreditations, licenses and certifications. Those that attend the Expo will be eligible for CEUs for the approved workshops as noted on the agenda and listed below. Participants are responsible for completing the appropriate sign-in sheet at the CEU desk located outside the session room. Certificates will be emailed to participants after the conference.

## Best Options for Energy Efficient Roadway Lighting (IACET, AIA, GBCI, IES, NCQLP)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- Members of the American Institute of Architects (AIA) will receive 1 LU/HSW.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.
- The Illuminating Engineering Society (IES) has approved this session for 1 CEU.
- This course has been registered with the National Council on Qualifications for the Lighting Professions (NCQLP) for 1 LEU Credit for Lighting Certified (LC) professionals.

CREDIT ACRONYM	CREDIT FULL NAME
IACET	International Association for Continuing Education and Training
AIA	American Institute of Architects
GBCI	Green Building Certification Institute
IES	Illuminating Engineering Society
NCQLP	National Council on Qualifications for the Lighting Professions
AFE	Association for Facilities Engineering

## Advancements in LED Lighting Solutions (IACET, AIA, GBCI, NCQLP)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- Members of the American Institute of Architects (AIA) will receive 1 LU/HSW.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.
- This course has been registered with the National Council on Qualifications for the Lighting Professions (NCQLP) for 1 LEU Credit for Lighting Certified (LC) professionals.

## Save Energy with Variable Speed Drives (IACET, AFE, AIA, GBCI)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- This session supports a topic within the Body of Knowledge outlined by the Association for Facilities Engineering CPE/CPMM/CPS Certification Programs and should count as 0.1 CEU (1 hour) toward re-certification.
- Members of the American Institute of Architects (AIA) will receive 1 LU.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.

## Controls and Energy Management Systems (IACET, AFE, AIA, GBCI)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- This session supports a topic within the Body of Knowledge outlined by the Association for Facilities Engineering CPE/CPMM/CPS Certification Programs and should count as 0.1 CEU (1 hour) toward re-certification.
- Members of the American Institute of Architects (AIA) will receive 1 LU.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.

## Save Energy with Demand-Controlled Ventilation (IACET, AFE, AIA, GBCI)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- This session supports a topic within the Body of Knowledge outlined by the Association for Facilities Engineering CPE/CPMM/CPS Certification Programs and should count as 0.1 CEU (1 hour) toward re-certification.
- Members of the American Institute of Architects (AIA) will receive 1 LU/HSW.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.

## Emerging Technologies for Gas Savings (IACET, AFE, AIA, GBCI)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- This session supports a topic within the Body of Knowledge outlined by the Association for Facilities Engineering CPE/CPMM/CPS Certification Programs and should count as 0.1 CEU (1 hour) toward re-certification.
- Members of the American Institute of Architects (AIA) will receive 1 LU/HSW.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.

## Building Energy Efficiency into Capital Planning (IACET, AFE, AIA, GBCI)

- The Energy Center of Wisconsin (ECW) is an Authorized Provider for the International Association for Continuing Education and Training (IACET) and is committed to developing quality learning activities. You will receive 0.1 Continuing Education Unit (1.0 hour) for attending this session.
- This session supports a topic within the Body of Knowledge outlined by the Association for Facilities Engineering CPE/CPMM/CPS Certification Programs and should count as 0.1 CEU (1 hour) toward re-certification.
- Members of the American Institute of Architects (AIA) will receive 1 LU/HSW.
- The Energy Center University (ECU) is a provider of GBCI Approved Courses for Continuing Education. This is a GBCI Approved Course and offers 1 CE hour.
