

# Adobe Connect Sound Wizard Guide

## **Adobe Connect**

Before you begin make sure that your audio headset or speaker/mic device is plugged into your pc/laptop before switching your pc/laptop on: this is really important.

To setup your audio device (there are seven steps below):

Start the Audio Wizard: select Audio Setup Wizard under the Meeting tab

Meeting Layouts Pods	Audio	• ● • ● • ● •
Manage Meeting Information Manage Access & Entry Change My Role Preferences		Share 4
Audio Setup Wizard Record Meeting Switch To Prepare Mode Disable Presenter Only Area Full Screen End Meeting Exit Adobe Connect		

#### **Select Next**

#### Select Play Sound and then Stop Sound (then click Next)
