## Room Gift Sponsors

First impressions mean so much and this sponsorship embraces that philosophy. The Room Gift sponsorship is what's termed a "room drop" in the meetings industry. We'll partner with a local company for a special treat and you can also provide your own material to be included in a special "gift" delivered to each and every Annual conference hotel guest. We'll handle all the details while you enjoy knowing that you've put a huge smile on their faces and left a very meaningful impression.
