

Ameda Australia is operated through Midmed Pty Ltd in Brisbane Queensland. Our Australia wide representation of this brand is supported with a passion to provide the best product for nursing mothers, not only at the beginning of their journey, but ongoing.

Ameda is WHO Compliant and is the only brand to have FDA approval as the safest breast pump kit in the market.

Please visit us for a demonstration of this versatile brand including the NEW Finesse hospital in home pump, we are located next to the Coffee Cart.
