A Conference For Problem Solvers.

Register Today!

You can save on your 2020 registration by becoming a WERC member and by making the March 25 early registration deadline. Save even more by selecting the exclusive Stay & Save rate and booking your hotel through WERC. Learn more at werc.org/2020.

We've prepared a template letter to help you secure approval to attend WERC 2020. Download it at werc.org/2020.

Inspiring.

WERC is hands-down the best educational event in the distribution logistics business. See cutting-edge technology in action on our popular facility tours. Stay on top of new ideas with our thought leader and main stage presentations. Discover the latest innovations at our Solutions Studio Sessions. Surround yourself with industry leaders and learn.

Collaborative.

WERC2020 is a one-of-a-kind conference designed to foster authentic business relationships. Learn from other front-line distribution logistics leaders at our unrivaled Peer-To-Peer learning sessions. Attend a Solutions Studio Session and schedule coffee with the presenter. Take your colleagues to dinner on our new, free night to connect. Plus: Our networking events are second-to-none.

Groundbreaking.

You've never seen anything like WERC2020. The trade show booths are gone, replaced with 30-minute Solutions Studio Sessions that give you a chance to really learn about products and services in a relaxed group setting. No more awkward nods or promotional tchotchkes, just high-quality information about the best solutions in the business, and real connections with the people who can help procure them.

A conference for problem-solvers.

Discover Innovative Labor Solutions

Attracting and retaining skilled workers is a universal challenge for distribution logistics professionals. We’ve got an incredible lineup of speakers to share empowering labor strategies that deliver:

- Solve your labor challenges with an alternative workforce
- Modernize your operations and culture through digital transformation
- Get inside the minds of 18,000 on-the-job workers and find out what it will take to attract and retain them
- Discover best practices for engaging supply chain interns
- Learn about the importance of succession planning
- Learn how to navigate an aggressive growth strategy with leadership and HR best practices

Master Supply Chain Constraints

Two-day delivery has become the industry standard, but meeting this timeline while dealing with resource constraints, limited labor and surges in demand can be challenging and costly. You need proactive strategies:

- Find out how standardization can boost productivity and reduce gap time
- Explore the benefits of collaboration
- Learn how one online grocer prepared for a surge in demand by adding a new facility and warehouse management system.
- Learn how to minimize delays and injuries by transitioning to a culture of safety
- Learn how lean thinking applies to distribution logistics
- Leverage the benefits of slotting to streamline operations

Get full program details at WERC.ORG/2020
Harness The Power of Automation

Automation is the key to mitigating unpredictable labor markets, streamlining your operations and accelerating fulfillment, plus it can benefit the bottom line -- but you have to be certain new solutions are the right fit for your operations. Our 2020 speakers and solutions are the right fit for your operations:

- See the latest automation trends and avoid implementation setbacks
- Find out if autonomous mobile robots are the right fit for your business
- See how a high-volume distributor replaced a paper-based process with automation
- Learn how automation can make handling explosive SKU growth a breeze

Make Your Data Work for YOU

Data collection and analytics are essential for monitoring KPIs and driving real improvements, but those benefits only occur when you can turn an incredible amount of information into actionable insights. The first step is gathering the right data from the right source:

- Learn how financial modelling can improve budgeting and performance management
- Discover how blockchain improves supply chain visibility
- Find out how analytics and market analysis can improve reverse logistics profitability

Comprehensive & Groundbreaking

At WERC2020, we’re aiming to address all of the most pressing challenges you’re facing, in 2020 and beyond. Visit werc.org/2020 for a complete list of our 2020 sessions, including:

- Key Considerations in the 3PL Selection Process
- How to Be the Change Agent Who Wins
- Key Topics and Trends in Chemical and HazMat Warehousing
- In-Sourcing a Distribution Center
- The Art of Moving CBD
- Five Fundamentals for Developing a Culture of Lean
Facility Tours

The best way to learn about transformational improvements is by seeing them in action. Join WERC 2020 facility tours to see how leading companies are adopting solutions to achieve operational excellence. Our exclusive tours sell out every year! Here are the facilities you’ll have the opportunity to visit at WERC 2020:

- Ocean State Job Lot Distribution Center
- Martignetti Company
- Stop & Shop Freetown Distribution Center
- ProvPort
- Volkswagen/Audi Distribution Port

Expand Your Network

Come to WERC 2020 to meet other ambitious distribution logistics professionals who share your challenges. Our entire program has been designed to create meaningful, people-centered experiences, giving you more opportunities to connect than ever before. Here are some of the networking events in store for you in Providence, Rhode Island this May:

- A Free Night To Connect on Monday
- Kickstart Welcome Reception
- Women @ WERC Kick-Off: Breakfast and Networking
- NetWERCing Reception at Trinity Brewhouse
- Networking Breakfasts, Lunches and Breaks
- Meet & Eat at local restaurants
Meet Solutions Partners on Your Terms
The WERC Solutions Center

This year, we’re proud to introduce a groundbreaking new way to discover the latest products and tools for distribution logistics professionals. Our Solutions Partners will discuss their products and services with you during 30-minute Solutions Studio Sessions that are integrated right into the conference program. Here are some of the companies who will be joining us:
