

HEAD TO TOE

April 24-25, 2019

The Head to Toe conference, sponsored by the New Mexico Department of Health, Office of School and Adolescent Health, has provided attendees with the ability to implement immediate change for youth with regard to behavioral, mental and physical health and wellness for the past 23 years.

Whether you are a longtime partner of Head to Toe or just getting to know us, you will not want to miss the opportunity to meet new clients and reconnect with old friends. Conference App (1) \$4,500

Your logo is featured on anything app related, including the advance marketing campaign encouraging app adoption. Attendees will see your logo on the splash screen each time they open the app.

Relaxation Station (1) \$3,500

Aromatherapy, coloring, yoga and makers space are just a few features of this centrally located room. Your logo shines front and center on the room's glass window wall facing the lower level foyer and registration area.

Recess isn't just for kids. Making time for play is one of the most beneficial things adults can do for health and happiness, cultivating flexibility and innovation. Give attendees the gift of play by sponsoring recess—a scheduled break for them to walk, stretch, play and relax. Facilitate a game or activity for maximum impact.

Infused Water Station (2) \$1,000

Take water up a notch! Attendees choose from multiple flavors of infused water and you help encourage healthy beverage intake. We can name one of the flavors after your organization (i.e. Molina Melon water)

Prize Package (3) \$750

One component of our digital marketing campaign to encourage early registration is an incentive giveaway, such as free hotel accommodations, a suite upgrade, meals, etc. You will be mentioned in all promotions.
