Submit Your Education Session Proposal

Deadline: February 1, 2016

The Convention Planning Committee invites you to submit a proposal for an educational breakout session for the National Independent Automobile Dealers Association Convention and Expo, scheduled June 13-16, 2016, at the Mirage in Las Vegas, NV.

NIADA will celebrate its 70th Anniversary of leadership in the automotive industry. Our mission to represent and assist the independent dealer through seven successful decades has been ever-changing. Therefore, we are looking for topics that demonstrate successful reinvention and give attendees the skills, knowledge and motivation to grow their businesses and increase their profits. Sessions should be classified as Retail, Buy Here Pay Here or Compliance.

- Topics should address the issues that dealers find most challenging in their day-to-day operations.
- The committee is open to single speakers and panels. No more than two speakers or three panelists and a moderator per session.
- Sessions must be commercial-free and vendor neutral.
- Sessions should be approximately 50 minutes in length.
- Hands-on workshops should be 90 minutes in length.
- Presentations should engage the attendees, not just speak to the audience.
