

June 12, 2019, Heydar Aliyev Convention Center, Baku, Azerbaijan

Embrace New Technologies, Seize New Opportunities

Corporate presentation of HUAWEI TECHNOLOGIES

We Are Entering an Intelligent World

All Things Sensing

Sensing the physical world, mapping it to digital signals

Temperature, space, and touch
Sense of smell, hearing, and vision

All Things Connected

Data goes online to power machine intelligence

Ubiquitous connections, wide connections, multiple connections, and deep connections

All Things Intelligent

Big data and AI power new applications

Digital twins
Digital survival

ICT infrastructure will be the foundation of the intelligent world

Huawei: Leading Global Provider of ICT Infrastructure and Smart Devices

Bring digital to every person, home and organization for a fully connected, intelligent world

Huawei's end-to-end portfolio of products, solutions and services are both competitive and secure. Through open collaboration with ecosystem partners, we create lasting value for our customers, working to empower people, enrich home life, and inspire innovation in organizations of all shapes and sizes.

At Huawei, innovation focuses on customer needs. We invest heavily in basic research, concentrating on technological breakthroughs that drive the world forward.
