"Your email about TAPPI scholarships made me want to let you know how grateful I am for the 2 years of the Coating and Graphic Arts Division Scholarship that TAPPI has awarded me. I am pleased to announce that I will be graduating cum laude from Clemson University this December. After that, I will be pursuing a co-op position at Packaging Corporation of America in their Mooresville, NC design center. I will be designing POP displays and all levels of packaging using my favorite material: paper."
