

Steve Mason has been the president of Cardinal Engineering, Inc. since 1989. He is a registered Professional Engineer in the States of Oklahoma, Texas, and New Mexico. He has worked full-time in the waste management and environmental industry for more than twenty-five years. Mr. Mason received a Master of Science degree in Civil Engineering from Stanford University and a Bachelor of Science degree in Environmental and Water Resources Engineering from Vanderbilt University. He was appointed in 1989 to the Governor's Environmental Concerns Council, State of Oklahoma. In 1992, he was appointed to serve on a special technical task force to develop regulations for the design and construction of landfills for the State of Oklahoma. He served as Chairman of the Solid Waste Advisory Council with the Oklahoma Department of Environmental Quality from 1993 to 2000 and was a member of the Solid Waste Advisory Council from 1993 to 2003. He has served as a member of the Oklahoma Environmental Quality Board at the Oklahoma Department of Environmental Quality since 2001 and as Chairman from 2004 to 2007.

He currently serves on the board of directors for the City of Oklahoma City Business Improvement District, Greater Oklahoma City Chamber, Last Frontier Council of the Boy Scouts of America, United Way of Central Oklahoma, Automobile Alley, the Oklahoma City Community Foundation, First National Bank of Oklahoma, the Oklahoma City National Memorial and Earl's Rib Palace. He is President of the Oklahoma Community Foundation. He served as Scoutmaster for Troop 193 from 2001 to 2004 and President of The Last Frontier Council from 2007 to 2010. He has also served on the board of directors for the Oklahoma City Arts Council. Since 2010, Steve has served as a member of the Light Rail Alternatives Analysis (AA) Committee for Greater Downtown Oklahoma City and the OKC MAPS 3 Transit/Modern Streetcar Subcommittee.

Mr. Mason was awarded the 2012 Neal Horton Award at the 26<sup>th</sup> Annual Dean A. McGee Awards, and the 2010 Urban Pioneer Award by the OKC Plaza District Association for his redevelopment efforts in Automobile Alley. Mr. Mason was awarded the 2010 Distinguished Leadership Award by Leadership Oklahoma City for his extensive community service, success of Cardinal Engineering and his redevelopment achievements in Automobile Alley. Mr. Mason was also recognized in 2010 by the Journal Record as Most Admired CEO. Cardinal received the 2011 Beacon Award for philanthropic and community efforts and was recognized in March of 2012 by Mayor Mick Cornett for being a Certified Healthy Business. Kym and Steve are parents of Travis, George and Marie who earned their Eagle and Gold Scout Awards.
