**EXPRESSION OF INTEREST: BID TO HOST THE FAMILY CENTRED EARLY INTERVENTION – AFRICA
CONFERENCE IN JUNE 2017**

Dear Prof. Claudine Storbeck,

On behalf of the City of Johannesburg and the Johannesburg Convention Bureau, we are delighted to present Johannesburg's credentials as a candidate to host the 1st Family Centred Early Intervention –Africa Conference.

Johannesburg is the commercial hub of South Africa and the economic flagship for the African continent. It offers superb convention facilities and all these are supported by a well-established and growing service sector, including the OR Tambo International Airport, which is the travel hub of the country. Over 55 international airlines link the city to major centres worldwide, making the city one of the easiest to access in the country.

We hope that our expression of interest will be received favorably and look forward to welcoming your delegates to Africa's most exciting destination.

Yours sincerely
