

Heather Hubbard
Valesco Industries

As a Partner, Heather's responsibilities include new investment origination, business development, research, financial analysis, due diligence and reporting (operations, regulatory and partnership).

Before joining Valesco Industries in 2009, Heather interned for the Parkland Hospital System in Dallas and headed a strategic planning team for a start-up pharmaceutical venture backed company. Her background in entrepreneurial and family owned business gives her excellent perspective to understand and develop solutions for these types of organizations.

Heather received a Master of Business Administration from the McCombs School of Business, University of Texas. She also received a B.B.A. in Entrepreneurship and Venture Management from the Price School of Business at the University of Oklahoma, where she graduated Summa Cum Laude. Additionally, she is involved in several charitable organizations.
