A photograph of two young boys playing on a grassy hill. One boy is standing and leaning forward, while the other is perched on his shoulders, leaning back. They are both smiling. The background is a bright blue sky with scattered white clouds. The grass is green and there are some small white flowers.

# Cloud computing in health and social care

Case Finland

# TRUST

of the citizens is crucial for  
the development  
of the data-based health care  
innovations

HEALTH CARE PROVIDERS USE THE NATIONAL SERVICES THROUGH THEIR SYSTEMS

INTERNATIONAL CONNECTION (CEF)

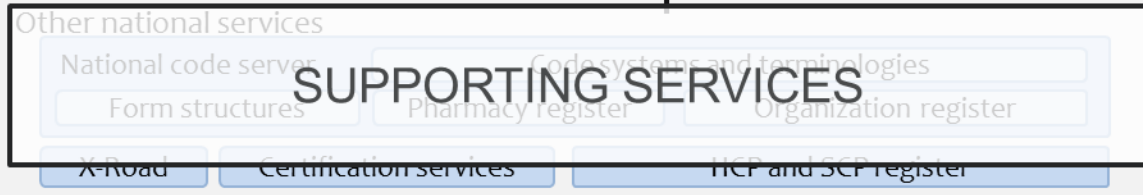

PROFESSIONALS (ePrescription)

CITIZENS MyKanta pages

BASED ON INTERNATIONAL STANDARDS

50% of adults have used it

## Future needs

### Medical notes as a Service

- for small providers to enter and get health and social care data

### eArchiving as a Service

- for archiving health and social care data produced before joining Kanta-services

### Big data analyse services

- data secure environment
- analysing tools
- legislation to parliament 2017
- for research, managing health and social care

# Thank you!
