

DARTMOUTH, NS, April 8, 2015 - RTDNA Canada, The Association of Electronic Journalists, is pleased to recognize excellence in electronic journalism in the Atlantic Region.

RTDNA Canada Awards honour the best programs, stations and news gathering organizations in radio, television and digital. "These awards are named after pioneers and innovators of our industry, and some of them were the founders of our association more than fifty years ago," said RTDNA Canada President Ian Koenigsfest. "We're pleased to continue celebrating excellence in electronic and digital journalism. Our founders would be proud of the quality of award winning local news coverage today."

RTDNA Canada is the voice of electronic and digital journalists and news managers in Canada. The members of RTDNA Canada recognize the responsibility of broadcast journalists to promote and to protect the freedom to report independently about matters of public interest and to present a wide range of expressions, opinions and ideas. The RTDNA Canada Code of Ethics, adopted by the Canadian Broadcast Standards Council, is used to measure fairness and accuracy in our profession.
