Unpacking digital citizenship and literacies

Nick Jackson @largerama
It's about the people not the technology
“Wicked problem” @mjhenderson
If I’ve told you once.....
We want to learn from you.
What does online research tell us?
Is learning about Digital Citizenship worthwhile?

- Yes 87%
- No 13%

Do online views on Digital Citizenship reflect your views?

- Yes, largely 0%
- Some 78%
- No, not really 22%
“I still don't even get what digital citizenship is really about so if we could have what it is and why it's important explained to us a bit better then I think we could decide what parts of that are important to be taught to other kids in schools.”
Developing a Digital Citizenship program

Year 8
- Online Predators - Re-enforced
- Reminder of the Laws around Internet
- Sexting and the consequences
- Online tools for school work (i.e. stormboard...)
- Privacy online
- laws regarding the internet (ethics and corre...
