

FlipCon | Australia

2017 with Jon Bergmann

Friday 20 and Saturday 21 October 2017 | Inaburra School, Sydney

A NATIONAL CONFERENCE EMBRACING FLIPPED LEARNING FOR **EMERGING AND ESTABLISHED FLIPPED EDUCATORS**

NO PRIOR EXPERIENCE IN FLIPPING YOUR CLASS OR SCHOOL IS NEEDED

Jon Bergmann is considered one of the pioneers in the Flipped Class movement after successfully flipping his own classroom and sharing the teaching model with other educators. Jon will be one of the keynote speakers at the conference. Break-out sessions will focus on:

- A beginner stream
- Pedagogy and best practice
- Experienced Flippers Stream
- Scaling up
- Flip a lesson
- Making flipped resources
- Subject specific
- Assessment
- Research
- What happens at home

The Masterclass Program includes the full conference program PLUS another 6 hours dedicated to specially designed Masterclass sessions. Masterclass sessions target mastery level and offer you an extended conference experience.

**Keynote 1:
Jon Bergmann**

**Keynote 2:
Joel Speranza**

**Keynote 3:
Errol St.Clair Smith**

IT'S TIME: Flip or Flop - 3 forces turning schools upside down, whether we're ready or not

Despite the pervasive fear of academic Armageddon, we are living in the most exciting times in the history of education. There are big changes on the road ahead for teachers, administrators and education leaders.

From Talkies to YouTube, The Power of the Moving Image Finally Realised

Since the first "Talkie" premiered in movie theatres 90 years ago, there has been a promise that moving pictures would revolutionise education. While Carl Sagan and David Attenborough have inspired millions with their documentaries, this promise has gone unfulfilled

What's Next?

We close this conference with a light hearted message on how to navigate the journey from being the lone flipped learning nut at your school, to being a respected, innovator, thought leader and change agent. Join us as we talk about how to introduce new ideas without losing your mind, your credibility or your job.

Attending FlipCon Australia will contribute 10.25 hours (16.25 hours if you attend the Masterclass) of QTC Registered PD addressing 2.6.2; 3.3.2; 6.2.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
